(Amendment) Regulations (Northern Ireland) 2009**

*Made* - - - - *10th December 2009*

The Department of Health, Social Services and Public Safety<sup>(1)</sup> makes the following Regulations in exercise of the powers conferred by Articles 15(1)(a) and (e), 16(1) and (2), 25(1)(a) and (3) and 47(2) of the Food Safety (Northern Ireland) Order 1991<sup>(2)</sup>, as read with paragraph 1A of Schedule 2 to the European Communities Act 1972<sup>(3)</sup>.

In accordance with Article 47(3A) of that Order, it has had regard to relevant advice given by the Food Standards Agency.

These Regulations make provision for a purpose mentioned in section 2(2) of the European Communities Act 1972 and it appears to the Department of Health, Social Services and Public Safety that it is expedient for any reference to an Annex to Directive 2002/46/EC of the European Parliament and of the Council on the approximation of the laws of the Member States relating to food supplements<sup>(4)</sup> to be construed as a reference to that Annex as amended from time to time.

As required by Article 9 of Regulation (EC) No. 178/2002 of the European Parliament and of the Council laying down the general principles and requirements of food law, establishing the European Food Safety Authority and laying down procedures in matters of food safety<sup>(5)</sup> there has been open and transparent public consultation during the preparation of the following Regulations.

## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations amend the Food Supplements Regulations (Northern Ireland) 2003 (S.R. 2003 No. 273 as already amended by S.R. 2007 No. 116) and the Addition of Vitamins, Minerals and Other Substances Regulations (Northern Ireland) 2007 (S.R. 2007 No. 301) in order to provide for the execution and enforcement of Commission Regulation (EC) No. 1170/2009 amending Directive 2002/46/EC of the European Parliament and of the Council and Regulation (EC) No. 1925/2006 of the European Parliament and of the Council as regards the lists of vitamins and minerals and their forms that can be added to foods, including food supplements (OJNo. L314 1.12.2009, p.36). These Regulations also update the references to Directives referred to in the Food Supplements Regulations (Northern Ireland) 2003.

These Regulations amend the Food Supplements Regulations (Northern Ireland) 2003 by—

- (a) substituting a revised definition of Directive 2002/46 and inserting definitions of Directive 90/496 and Directive 2001/83 (*regulation 2(2)*);
- (b) providing that a reference to an Annex to Directive 2002/46 is a reference to that Annex as amended from time to time (*regulation 2(3)*);
- (c) revising references to Directives to refer to amendments to them (*regulation 2(4) and (6)(b)*);
- (d) removing those provisions which implemented a derogation from Directive 2002/46 which lapses on 1 January 2010 (*regulation 2(5)(a) and (d)*);
- (e) providing that those Regulations refer to the Annexes to Directive 2002/46 (vitamins and minerals and vitamin and mineral substances which may be used in the manufacture of food supplements) rather than the Schedules to those Regulations and making consequential amendments (*regulation 2(5)(b) and (c), (6)(a) and (8)*); and
- (f) providing a transitional period for the phasing in of the new provisions relating to Directive 90/496 (*regulation 2(7)*).

These Regulations amend the Addition of Vitamins, Minerals and Other Substances Regulations (Northern Ireland) 2007 by substituting a revised definition of Regulation (EC) No.1925/2006 (*regulation 3(2)*).
