 - (b) in the written defences or answers; or

- (a) by way of adjustment or minute of amendment; or
- (b) in proceedings in which there is no procedure for adjustment or amendment, in Form 1, so as to provide specification of the matters mentioned in that paragraph.

(2) Where the compatibility question is raised in the initiating document, the sheriff is to order intimation of the compatibility question as craved in the warrant for service.

(3) In any case other than that described in paragraph (2), the party raising the compatibility question must lodge a motion or incidental application, as the case may be, craving a warrant for intimation of the compatibility question on the relevant authority, and on considering the motion or incidental application, where it appears to the sheriff that a compatibility question arises, the sheriff is to order such intimation of the compatibility question.

(4) Where intimation is ordered in accordance with paragraphs (2) or (3), such intimation must be in Form 2 and be made in such manner as the sheriff considers appropriate in the circumstances.

(5) The intimation of a compatibility question must specify 14 days, or such other period as the sheriff thinks fit, as the period within which the relevant authority may take part as a party in the proceedings.

(2) Where the relevant authority intends to take part as a party in the proceedings, it must lodge a minute stating that it intends to do so.

(3) Upon receipt of the minute lodged in accordance with paragraph (2), the sheriff is to sist the relevant authority as a party to the action.

(6) At any time after the note mentioned in paragraph (4) has been lodged, the sheriff may regulate such further procedure in the proceedings as the sheriff thinks fit.

(7) Where a relevant authority does not take part as a party in the proceedings at first instance, the court may allow it to take part as a party in any subsequent appeal to the Sheriff Appeal Court.
