TERRITORIAL EXTENT AND DEVOLUTION

Chapter 1: Appointment and Removal of Directors

Section 164: Particulars of directors to be registered: corporate directors and firms

292. This section replaces section 289(1)(b) of the 1985 Act. It retains the requirement for the corporate or firm name and the registered or principal office to be recorded where the director is either a body corporate or a firm that is a legal person under the law by which it is governed. In addition, as recommended by the CLR (Final Report, paragraph 11.38), it requires for EEA companies the register where the company is registered and its registration number; for all others, particulars of the legal form of the company or firm, the law by which it is governed, and, if applicable, where it is registered and its registration number.
