- (a) has applied or is considering whether to apply for a licence, or
 - (b) is considering whether to apply for financial support for carbon capture activities.
- (6) The conditions in this subsection are conditions which require the licence holder to comply with a direction given by the economic regulator or the Secretary of State requiring the licence holder to provide to the candidate—
- (a) information in relation to the activities authorised by the licence, and
 - (b) any other assistance the candidate may reasonably require, for the purpose of determining whether to—
