1949 CHAPTER 67 12 13 and 14 Geo 6

## PART III

### AERODROMES AND OTHER LAND

#### *Minister's Aerodromes*

#### **17 Consultation with Ideal bodies**

In the management and administration of any aerodrome vested in him the Minister shall make such provision as he thinks necessary to ensure that adequate facilities for consultation are provided for the local authorities in whose areas the aerodrome or any part thereof is situated, and for other local authorities whose areas are in the neighbourhood of the aerodrome, and for other organisations representing the interests of persons concerned with the locality in which the aerodrome is situated.
