EXPLANATORY NOTE

(This note is not part of the Regulations)

Section 42 of the Harbours Act 1964, as amended, specifies requirements as to accounts and reports relating to the activities of statutory harbour undertakings (as defined in the section) and enables Regulations to be made relating to their pilotage activities. Section 14 of the Pilotage Act 1987 enables Regulations to be made providing for the publication of these accounts. These Regulations make provision as to the information in relation to its pilotage activities to be included in a competent harbour authority's statement of accounts, and for the publication of that information.
