**The Genetically Modified
Organisms(Contained Use) Regulations 2000**

PART II

**RISK ASSESSMENT AND NOTIFICATION OF
ACTIVITIES INVOLVING GENETIC MODIFICATION**

Notifications to the joint competent authority and of connected programmes of work

13.—(1) Where a notification is required—

- (a) under regulation 9(1) in respect of premises which are situated in both England and Scotland; or
- (b) under regulation 10(1), 11(1) or 12(1) in respect of an activity involving genetic modification which is to take place in both England and Scotland,

the notifier shall submit a single notification under the regulation in question to the joint competent authority.

(2) The competent authority may accept a single notification submitted under regulation 10(1), 11(1) or 12(1) in respect of a connected programme of work undertaken by the same person at—

- (a) one site; or
- (b) more than one site.

(3) The competent authority may accept a single notification submitted under regulation 10(1), 11(1) or 12(1) in respect of a single activity involving genetic modification undertaken by the same person at more than one site.

(4) In this regulation—

- (a) “connected programme of work” means a series of activities involving genetic modification which form a coherent and integrated programme;
- (b) “site” means premises of which the competent authority has been notified in accordance with regulation 9(1).
