

SCHEDULE 19

BUS STOP AND BUS STAND CLEARWAYS AND BOX JUNCTIONS

PART II

THE TRAFFIC SIGNS GENERAL DIRECTIONS 2002

Placing of signals and other signs at crossings

54. The Schedule to these Directions shall have effect with regard to the placing of—

- (a) vehicular light signals;
- (b) pedestrian light signals; and
- (c) other signs,

at signal-controlled crossing facilities where vehicular traffic is stopped only for the purpose of enabling pedestrians, cyclists or equestrians to cross the carriageway and not for the purpose of regulating the priority of vehicular traffic at a junction.
