EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Cosmetic Products (Safety) Regulations 2004 (“the Principal Regulations”) to give effect to Commission Directives [2005/42/EC](#) (O.J. No. L158, 21.6.2005, p.17) and [2005/52/EC](#) (O.J. No. L234, 10.9.2005, p. 9) which amend Council Directive [76/768/EEC](#) (O.J. L262, 27.9.1976, p.169) on the approximation of the laws of the Member States on cosmetic products (“the Directive”). The Directive has been implemented by the Principal Regulations.

Directive [2005/42/EC](#) amends the Directive by adding 4 substances to the list of banned substances in Annex II and deletes 3 substances from the list of permitted colouring agents in Annex IV with the result that cosmetic products containing these substances will be prohibited (the prohibition on the use of colouring agents does not extend to cosmetic products containing colouring agents intended solely to colour hair). Directive [2005/42/EC](#) also amends the list of permitted preservatives in Part 1 of Annex VI to the Directive by amending entry 53 and by inserting entry 57.

Regulation 2 amends regulation 5, Schedule 5 and 6 respectively in the Principal Regulations to give effect to the above amendments. In accordance with Directive [2005/42/EC](#), the substances prohibited by these Regulations will be prohibited from 30th March 2006.

Directive [2005/52/EC](#) amends Part 2 of Annex III (list of substances permitted subject to restrictions) to the Directive by changing the date until which substances specified in regulation 2(5)(a) and (b) are permitted to 31st August 2006 and 31st December 2006 respectively. Regulation 2 amends

Schedule 4, Part 2 to the Principal Regulations which implements Annex III to give effect to these amendments.

These Regulations also delete entry 29 from Part 2 of Schedule 3 to the Principal Regulations (substances banned for use in fragrances) and inserts it into Part 1 of that Schedule (substances banned for use in all cosmetic products) with the result that the substance in question is now prohibited for all purposes in cosmetic products.
