- (a) satisfy the requirements in paragraphs (2) and (3); or
 - (b) be established (outside the United Kingdom) by an international organisation for the purpose of providing benefits for, or in respect of, past service as an employee of the organisation and satisfy the requirements in paragraph (4).
- (2) This paragraph is satisfied if—
- (a) the scheme is an occupational pension scheme and there is, in the country or territory in which it is established, a body—
 - (i) which regulates occupational pension schemes; and
 - (ii) which regulates the scheme in question;
 - (b) the scheme is not an occupational pension scheme and there is in the country or territory in which it is established, a body—
 - (i) which regulates pension schemes other than occupational pension schemes; and
 - (ii) which regulates the scheme in question; or
 - (c) neither sub-paragraph (a) or (b) is satisfied by reason only that no such regulatory body exists in the country or territory and—
 - (i) the scheme is established in another member State, Norway, Iceland or Liechtenstein; or
 - (ii) the scheme's rules provide that at least 70% of a member's UK tax-relieved scheme funds will be designated by the scheme manager for the purpose of providing that individual with an income for life, and the pension benefits payable to the member under the scheme (and any lump sum associated with those benefits) are payable no earlier than they would be if pension rule 1 in section 165 applied.

(3) This paragraph is satisfied if the scheme is recognised for tax purposes.

A scheme is “recognised for tax purposes” under the tax legislation of a country or territory in which it is established if it meets the ^[F1]following conditions].

^[F2]Condition 1]

The scheme is open to persons resident in the country or territory in which it is established.

^[F2]Condition 2]

The scheme is established in a country or territory where there is a system of taxation of personal income under which tax relief is available in respect of pensions and—

- (a) tax relief is not available to the member on contributions made to the scheme by the individual or, if the individual is an employee, by their employer, in respect of earnings to which benefits under the scheme relate; ^{F3} ...
- ^[F4](ab) the scheme is liable to taxation on its income and gains and is of a kind specified in ^[F5]Schedule 1] to these Regulations; or]
- (b) all or most of the benefits paid by the scheme to members who are not in serious ill-health are subject to taxation.

For the purposes of this condition “tax relief” includes the grant of an exemption from tax.

^[F2]Condition 3]

The scheme is approved or recognised by, or registered with, the relevant tax authorities as a pension scheme in the country or territory in which it is established.

^{F6} ...

(4) In the case of an overseas pension scheme falling within paragraph (1)(b) the requirements are that—

- (a) the scheme rules must provide that at least 70% of a member's UK tax-relieved scheme funds will be designated by the scheme manager for the purpose of providing the member with an income for life, and
- (b) the pension benefits payable to the member under the scheme (and any lump sum associated with those benefits) under the scheme must be payable no earlier than they would be if pension rule 1 in section 165 applied.

(5) In this regulation—

“international organisation” means an organisation to which section 1 of the International Organisations Act 1968 ^{M3} applies by virtue of an Order in Council under subsection (1) of that section;

occupational pension scheme“ has the meaning given by section 150(5); and

“UK tax-relieved scheme funds” means, in relation to a member, the sum of the member's UK tax-relieved fund and his relevant transfer fund, as defined respectively by regulations 2 and 3 of the Pension Schemes (Application of UK Provisions to Relevant Non-UK Schemes) Regulations 2006 ^{M4}.

EXPLANATORY NOTE

(This note is not part of the Regulations)

Regulation 1 provides for the citation and commencement of the Regulations.

Regulation 2 prescribes the requirements imposed under section 150(7) of the Finance Act 2004 (c. 12) which an overseas pension scheme must satisfy for the purposes of Part 4.

Regulation 3 sets out the requirements prescribed under section 150(8) which an overseas pension scheme must satisfy in order to be treated as a recognised overseas pension scheme. Such a scheme must either be established in another EEA State, or in a country or territory with which the United Kingdom has a double taxation agreement providing for the exchange of information between the fiscal authorities of the United Kingdom and the overseas country or territory and for non-discrimination between UK Nationals and nationals of the overseas country or territory. If it is not established in such a country or territory a scheme may nonetheless be recognised if it satisfies the requirements prescribed in regulation 3(4).
