(2) Subsection (1) does not apply if the company is entitled to the small companies exemption.

(3) For a financial year in which—

(a) the company is a parent company, and

(b) the directors of the company prepare group accounts, the strategic report must be a consolidated report (a “group strategic report”) relating to the undertakings included in the consolidation.

(4) A group strategic report may, where appropriate, give greater emphasis to the matters that are significant to the undertakings included in the consolidation, taken as a whole.

(5) In the case of failure to comply with the requirement to prepare a strategic report, an offence is committed by every person who—

- (a) was a director of the company immediately before the end of the period for filing accounts and reports for the financial year in question, and

- (a) it is entitled to prepare accounts for the year in accordance with the small companies regime, or
- (b) it would be so entitled but for being or having been a member of an ineligible group.

(2) The strategic report must contain—

- (a) a fair review of the company’s business, and
- (b) a description of the principal risks and uncertainties facing the company.

(3) The review required is a balanced and comprehensive analysis of—

(6) Where a company qualifies as medium-sized in relation to a financial year (see sections 465 to 467), the review for the year need not comply with the requirements of subsection (4) so far as they relate to non-financial information.

(7) In the case of a quoted company the strategic report must, to the extent necessary for an understanding of the development, performance or position of the company's business, include—

- (a) the main trends and factors likely to affect the future development, performance and position of the company's business, and

 - (ii) the number of persons of each sex who were senior managers of the company (other than persons falling within sub-paragraph (i)); and
 - (iii) the number of persons of each sex who were employees of the company.

(9) In subsection (8), "senior manager" means a person who—

- (a) has responsibility for planning, directing or controlling the activities of the company, or a strategically significant part of the company, and
- (b) is an employee of the company.

(10) In relation to a group strategic report—

- (a) the reference to the company in subsection (8)(c)(i) is to the parent company; and
- (b) the breakdown required by subsection (8)(c)(ii) must include the number of persons of each sex who were the directors of the undertakings included in the consolidation.

(11) The strategic report may also contain such of the matters otherwise required by regulations made under section 416(4) to be disclosed in the directors' report as the directors consider are of strategic importance to the company.

(12) The report must, where appropriate, include references to, and additional explanations of, amounts included in the company's annual accounts.

(13) Subject to paragraph (10), in relation to a group strategic report this section has effect as if the references to the company were references to the undertakings included in the consolidation.

(14) Nothing in this section requires the disclosure of information about impending developments or matters in the course of negotiation if the disclosure would, in the opinion of the directors, be seriously prejudicial to the interests of the company.

414D Approval and signing of strategic report

(1) The strategic report must be approved by the board of directors and signed on behalf of the board by a director or the secretary of the company.
