(7) Any amount of expenditure which was deducted under paragraphs 8 (growth fund), 9 (falling rolls), 10 (new schools), and 11 (extra infant classes) of Schedule 2 to the 2015 Regulations for the previous funding period and which remains unspent may be used by the local authority in the funding period for the purposes listed in paragraphs 8 to 11 of Schedule 2 to the 2015 Regulations that applied to such expenditure.

(8) A local authority must deduct the expenditure referred to in paragraph 30 of Schedule 2.

(9) Where a local authority treated any expenditure described in Part 5 of Schedule 2 to the 2015 Regulations (Items That May Be Removed From Maintained Schools' Budget Shares) as central expenditure for the previous funding period under regulation 11(4) of the 2015 Regulations and any such amounts remain unspent, such amounts may be used by the local authority in the funding period for the purposes listed in Part 5 of Schedule 2 to the 2015 Regulations that applied to such expenditure.

(10) Where a local authority treated any expenditure described in Part 5 of Schedule 2 to the 2015 Regulations as central expenditure for the previous funding period under regulation 11(4) of the 2015 Regulations and carries forward a deficit in respect of that expenditure, the funding of this deficit from the schools budget must be authorised by its schools forum under regulation 12(1) or by the Secretary of State under regulation 12(3).

(11) A local authority may apply to the Secretary of State for authorisation under regulation 29(1) to—

- (a) deduct from its schools budget any expenditure falling outside the classes or descriptions of planned expenditure in Schedule 2, in order to determine its individual schools budget; and

(12) A local authority may deduct the expenditure specified in paragraph (13) from the schools budget without authorisation from its schools forum under regulation 12(1), or from the Secretary of State under regulation 12(3), in which case it shall be treated as if it were part of the non-schools education budget, prescribed in regulation 4.

(13) The specified expenditure, for the purposes of paragraph (12), is the description of expenditure referred to in—

- (a) paragraphs 9 to 12 of Schedule 2;

(15) The expenditure referred to in Schedule 2 includes expenditure on associated administrative costs and overheads.

Consultation

9.—(1) In determining the formulae under regulation 10, a local authority may change the formulae which it determined under regulation 10 of the 2015 Regulations.

(2) Subject to paragraph (4), a local authority must consult its schools forum and schools maintained by it about any proposed changes under paragraph (1), in relation to the factors and criteria taken into account, and the methods, principles and rules adopted.

(3) Where a local authority proposes to make changes under paragraph (1) which will affect relevant early years providers in its area, it must also consult those providers in relation to the factors and criteria taken into account, and the methods, principles and rules adopted.

(4) Paragraph (2) does not apply to changes made relating to matters referred to in regulation 24 (Sixth form funding) or 27 (Excluded pupils).

(5) A local authority must consult its schools forum before incurring any of the expenditure referred to in paragraphs 4 to 6 of Schedule 2.

Formulae for determination of budget shares etc for certain maintained schools and early years providers

10.—(1) A local authority must, before the beginning of the funding period and after carrying out any consultation required by regulation 9(2), decide on the formula which it will use to determine the budget shares for schools which it maintains (other than special schools, pupil referral units and nursery schools, and in relation to nursery classes in schools maintained by it).

(2) A local authority must use the formula determined under paragraph (1) in all determinations of school budget shares in respect of the funding period.

(3) A local authority must, before the beginning of the funding period and after carrying out any consultation required by regulation 9(2) or (3), decide on the formula which it will use to determine—

- (a) the budget shares for nursery schools maintained by it;
- (b) the amounts to be allocated in respect of nursery classes in schools maintained by it;
- (c) the amounts to be allocated to relevant early years providers in its area; and

⁽⁴³⁾ S.I. 1997/319. These regulations have lapsed but article 11 of the Local Authorities (Capital Finance) (Consequential, Transitional and Savings Provisions) Order 2004 (S.I. 2004/533) contains a savings provision for regulation 16 of the 1997 Regulations.

- (6) The formulae must be determined in accordance with Part 3 of these Regulations.

Determination of allocation of budget shares etc for the funding period

11.—(1) Except as provided for in paragraphs (2), (4) and (9), not later than 28th February 2017, a local authority must determine the budget share for each school which it maintains, using the formula referred to in regulation 10(1) in accordance with Part 3 of these Regulations.

(2) Paragraph (1) does not apply to any determination of amounts to be included in budget shares under regulation 24 (sixth form funding) and in relation to such determination the local authority must make the determination and notify the school to which the determination relates within a reasonable period after the notification given by the Secretary of State under regulation 24(1).

(3) When making the determination under paragraph (1) the local authority must identify within each budget share an amount calculated by reference to the requirements, factors and criteria specified in Part 3 which are relevant to pupils with special educational needs; such amount must be calculated using a sum of £6,000 as the threshold below which the school will be expected to meet the additional costs of pupils with special educational needs from its budget share.

(4) Not later than 28th February 2017, a local authority must determine the budget share for each of the special schools and pupil referral units maintained by it in accordance with Part 3 of these Regulations.

(5) After the local authority has made a determination under paragraph (1) but before giving notice under paragraph (10), the authority may apply to its schools forum under regulation 12(1), or to the Secretary of State under regulation 12(2), for authorisation to redetermine schools' budget shares by removing any of the expenditure referred to in Part 6 (Items That May Be Removed From Maintained Schools' Budget Shares – Primary and Secondary Schools) of Schedule 2 from the budget shares of—

(7) For the purposes of paragraph (6), the specified schools are all primary schools other than nursery schools, all secondary schools, and all special schools and pupil referral units.

(8) Where the local authority makes an application under paragraph (6), the amount by which the budget share is to be redetermined must be set out—

- (a) in the case of a maintained school other than a special school, a pupil referral unit or a nursery school, on an amount per pupil basis;

- (b) in the case of a maintained school which is a special school, or a pupil referral unit, on an amount per place basis.

to the governing body of the school or the relevant early years provider concerned.

(11) Save as provided in this regulation and in regulations 16 (Special arrangements for pupils in maintained nursery schools and nursery classes and children receiving relevant early years provision), 19 (Differential funding), 24 (Sixth form funding), 25 (New schools, merged schools and closing schools), 26 (Federated schools), 27 (Excluded pupils), 28 (Correction of errors and non-domestic rates) and 29 (Alternative arrangements), the authority must not redetermine a school's budget share or the amount allocated to a relevant early years provider.

CHAPTER 2

- the authority may apply to the Secretary of State for such authorisation.

(3) On the application of a local authority under paragraph (2), the Secretary of State may authorise the matters referred to in paragraph (1).

PART 3

Determination of Budget Shares etc

CHAPTER 1

Requirements, and Factors and Criteria Taken into Account

Pupil numbers

13.—(1) In determining budget shares for primary and secondary schools, except in respect of nursery classes a local authority must ascertain and take into account in its formula the number of pupils at those schools in accordance with paragraph (2) on the date specified in paragraph (3).

(2) For the purposes of paragraph (1), the number of pupils is $A - (B - C) - D$ where—

- (a) A is the total number of pupils in the school;
- (b) B is the number of places in the school which the authority has reserved for children with special educational needs;
- (c) C is the number of children in places in the school which the authority has reserved for children with special educational needs where those places are occupied by a child in a nursery class, or by a child who is not a pupil at the school; and
- (d) D is the number of pupils in the school in respect of whom sixth form grant is payable.

(3) The date for ascertaining pupil numbers is 6th October 2016.

(4) Where a primary school had more pupils in reception classes on 21st January 2016 than on 1st October 2015, the local authority may take the number of additional pupils into account in its formula, and where it does so this factor must be applied to all primary schools in the area.

(5) A local authority must include in its formula a single per pupil amount of at least—

- (a) £2,000 for each of the pupils in reception classes and at key stages 1 and 2;
- (b) £3,000 for each of the pupils at key stage 3; and
- (c) £3,000 for each of the pupils at key stage 4.

Places

14.—(1) In determining budget shares for special schools, a local authority—

- (a) must include £10,000 for each place other than—
 - (i) hospital education places; and
 - (ii) places for those who are over 18, unless they are aged 19 and are continuing to attend a particular course of secondary education which they began before they reached the age of 18; and
- (b) must not include funding for places described in sub-paragraph (a)(ii).

(2) In determining budget shares for primary or secondary schools maintained by the local authority, with places which the authority has reserved for children with special educational needs, a local authority must include £10,000 for each place other than hospital education places.

(3) In determining budget shares for pupil referral units, a local authority must include £10,000 for each place other than hospital education places.

(4) Paragraph (3) applies to places to be commissioned by schools or directly by a local authority.

(5) For each hospital education place referred to in paragraphs (1) to (3) the local authority must include at least the equivalent amount per hospital education place which the authority included in the budget share of the school or pupil referral unit, as the case may be, in the previous funding period.

Social deprivation

15.—(1) In determining budget shares for schools maintained by it (other than special schools, pupil referral units and nursery schools), a local authority must take into account in its formula one or more factors based on the incidence of social deprivation in pupils at the schools maintained by it.

(2) The authority must base the incidence of social deprivation referred to in paragraph (1) on one or both of the following—

- (a) a pupil’s eligibility for free school meals on 6th October 2016 or a pupil’s eligibility for free school meals recorded in any school census between and including Summer 2010 and Spring 2016;
- (b) a pupil’s IDACI score on 6th October 2016,

and where it is based on an IDACI score the authority may use factors which differentiate between different IDACI bands (that is, groupings of IDACI scores set out at Annex 2 to the document published by the Department for Education named “Schools Revenue Funding 2017 to 2018: Operational Guide”(44)).

(3) In determining budget shares under paragraph (1), the authority may take into account in its formula a single per pupil amount for each socially deprived pupil in reception classes and at key stage 1 and 2, and a single per pupil amount for each socially deprived pupil at key stage 3 and 4.

(4) In paragraph (3) a reference to a “socially deprived pupil” is to a pupil who has been determined as being such using the criteria in paragraph (2).

(5) Subject to regulation 23, other than in respect of two year olds, in determining—

- (a) budget shares for maintained nursery schools;
- (b) amounts to be allocated in respect of nursery classes in schools maintained by it;
- (c) amounts to be allocated to relevant early years providers in its area; and
- (d) amounts to be allocated in respect of community early years provision in schools maintained by it,

a local authority must take into account in its formula one or more factors based on the incidence of social deprivation in pupils or children, and the determination of the incidence of social deprivation must be based on the characteristics of the pupils or children and not on the location of the school or provider.

(6) In respect of two year olds, in determining—

- (a) budget shares for maintained nursery schools;
- (b) amounts to be allocated in respect of nursery classes in schools maintained by it;
- (c) amounts to be allocated to relevant early years providers in its area; and
- (d) amounts to be allocated in respect of community early years provision in schools maintained by it,

(44) Published in July 2016 and available at: <https://www.gov.uk/government/publications/schools-funding-arrangements-2017-to-2018>. A printed copy may also be inspected at the Department for Education, Sanctuary Buildings, Great Smith Street, London SW1P 3BT, on request.

a local authority may take into account in its formula one or more factors based on the incidence of social deprivation in pupils or children, and the determination of the incidence of social deprivation must be based on the characteristics of the pupils or children and not on the location of the school or provider.

Special arrangements for pupils in maintained nursery schools and nursery classes and for children receiving relevant early years provision and community early years provision

16.—(1) Subject to this regulation, in determining—

- (a) budget shares for nursery schools maintained by it;
- (b) amounts to be allocated in respect of nursery classes in schools maintained by it;
- (c) amounts to be allocated to relevant early years providers in its area; and
- (d) amounts to be allocated in respect of community early years provision in schools maintained by it,

a local authority must take into account in its formula the predicted total number of hours of attendance of pupils or children, basing the calculation on the most recent data available about the actual numbers of pupils or children.

(2) When further information about hours of attendance becomes available a local authority must—

- (a) review the budget share for each maintained nursery school, the amount allocated in respect of each nursery class and the amount allocated in respect of community early years provision; and
- (b) redetermine that budget share or amount allocated, as the case may be.

(3) When carrying out a review and redetermination under paragraph (2) the local authority must—

- (a) in the case where the local authority decides to fund only funded early years provision, take into account—
 - (i) the predicted total number of hours of attendance of pupils in the nursery school or nursery class, and of children being provided community early years provision, who will receive funded early years provision during the period (basing the calculation on the actual hours of such attendance in each of at least three sample weeks); or
 - (ii) the actual total number of hours of such attendance for the period;
- (b) in the case where the local authority decides to fund early years provision in excess of funded early years provision, take into account—
 - (i) the predicted total number of hours of attendance of pupils in the nursery school or nursery class, and of children being provided community early years provision, who will receive early years provision during the period (basing the calculation on the actual hours of such attendance in each of at least three sample weeks); or
 - (ii) the actual total number of hours of such attendance for the period.

(4) When further information about hours of attendance becomes available, a local authority must—

- (a) review the amount allocated to each relevant early years provider; and
- (b) redetermine the amount allocated.

(5) When carrying out a review and redetermination under paragraph (4) the local authority must take into account—

- (a) the predicted total number of hours of attendance of children who will receive funded early years provision from the relevant early years provider, during the period (basing the calculation on the actual hours of such attendance in each of at least three sample weeks); or
- (b) the actual total numbers of hours of such attendance for the period.

(6) Within 28 days of making any redetermination under paragraph (2) or (4), the local authority must give notice of the redetermination and the date on which it will be implemented to the governing body of the school, or the relevant early years provider concerned.

(7) When making determinations under this regulation, a local authority may weight the predicted total number of hours of attendance of pupils or children, according to the special educational needs of any such pupils or children.

(8) When determining—

- (a) budget shares for nursery schools maintained by it;
- (b) amounts to be allocated in respect of nursery classes in schools maintained by it;
- (c) amounts to be allocated to relevant early years providers in its area;
- (d) amounts to be allocated in respect of community early years provision in schools maintained by it,

a local authority may take into account in its formula the number of places it wishes to fund in the school, class or provider (instead of the predicted total number of hours of attendance), where the authority has reserved those places for children with special educational needs or children in need.

(9) In paragraph (8) “children in need” means children in respect of whom the local authority in whose area they reside must provide a range of services appropriate to their needs under section 17 of the 1989 Act.

Early years pupil premium

17.—(1) A local authority must include in the amount to be allocated to each early years provider in its area which has one or more children eligible for the early years pupil premium an amount equivalent to 53 pence per eligible child for each hour of early years provision that the child receives, up to a maximum of 570 hours.

(2) A child is eligible for early years pupil premium if the child—

- (a) is eligible for funded early years provision under regulation 3(3) of the Early Years Provision Regulations 2014;

(5) A local authority must include in the amount to be allocated for relevant early years provision or community early years provision in its area an amount of £302.10 (equivalent to 53 pence multiplied by 570) for each looked after child aged three or four years old in the local authority's area.

(6) The allocation referred to in paragraph (5) must be managed by the local authority's designated virtual school head for the benefit of the educational needs of the relevant looked after children as described in their personal education plans (that is, plans relating to the children's education and training, including as far as is relevant and reasonably practicable the information in paragraph 2 of Schedule 1 to the Care Planning, Placement and Case Review (England) Regulations 2010⁽⁴⁸⁾).

(7) In paragraph (6), "virtual school head" means a person appointed by a local authority under section 22(3B) of the 1989 Act⁽⁴⁹⁾ for the purpose of discharging the local authority's duty set out in section 22(3A) of that Act (duty to promote the educational achievement of children looked after by the authority).

(3) A local authority must redetermine the budget share of a secondary school before the end of the funding period where the authority receives a written notification from the Secretary of State of a revised allocation in respect of the sum referred to in paragraph (1).

New schools, merged schools and closing schools

25.—(1) Where in the funding period, but excluding 1st April 2017, a new maintained school opens, and is a replacement for two or more maintained schools that are discontinued during the funding period, a local authority must calculate the budget share of the new school by adding together the budget shares of the schools that have been discontinued.

(2) Except where paragraph (1) applies, a local authority must determine a budget share for—

- (a) any new maintained school in its area, and
- (b) any school that has opened since 1st April 2010 and does not yet have pupils in each year group for which the school proposes to provide education,

from the date of the school's opening on the basis of expected pupil numbers during the funding period estimated by the authority, and regulation 13 does not apply.

(3) Where a school to which paragraph (2) applies was funded on the basis of estimated pupil numbers in the previous funding period, the local authority may take account of any difference between estimated and actual pupil numbers in the previous funding period when estimating pupil numbers for the funding period.

(4) Where in the previous funding period or on 1st April 2017 a new maintained school opened or opens and is a replacement for two or more maintained schools that were discontinued during the previous funding period or on 1st April 2017, a local authority must include in the budget share of the new school an amount equal to 85% of the total amount which the schools that it replaced would have been allocated in their budget shares under paragraphs 1 and 2 of Schedule 3 (single sums) if the schools had not been discontinued.

(5) Where paragraph (4) applies, no single sum is to be included in the new school's budget share under paragraph 1 or 2 of Schedule 3.

(6) A local authority must determine a budget share for any maintained school in its area which is to be discontinued in the funding period up to the date when the school is discontinued in accordance with this Part.

(7) Where in the funding period, but excluding 1st April 2017, a maintained school is subject to a prescribed alteration as a result of a closure of a school, a local authority must redetermine the budget share of the enlarged school by adding to it the budget share of the school that has been discontinued.

(8) Where in the previous funding period or on 1st April 2017 a maintained school is subject to a prescribed alteration as a result of a closure of a school during the previous funding period or on 1st April 2017, a local authority must include in the budget share of the enlarged school an amount equal to 85% of the total amount which the schools whose provision it has replaced would have

been allocated in their budget shares under paragraph 1 and 2 of Schedule 3 if the school had not been discontinued.

(9) Where in the funding period, but excluding 1st April 2017, a school has been established or is subject to a prescribed alteration as a result of the closure of a school, a local authority may add an amount to the budget share of the new or enlarged school to reflect all or part of the unspent budget share (including any surplus carried over from previous funding periods) of the closing school for the funding period in which it closes.

(10) A local authority may change the operation of this regulation where authorised to do so by the Secretary of State under regulation 29 (alternative arrangements).

(11) In this regulation, “prescribed alteration” means a prescribed alteration within the meaning of the School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2013(51).

Federated schools

26.—(1) Subject to paragraphs (2) and (3), where two or more maintained schools are federated under section 24 of the 2002 Act, the local authority must determine a budget share for each school in accordance with Part 3 of these Regulations.

(2) After carrying out the determination under paragraph (1) the local authority may treat the schools as a single school for the purposes of these Regulations and, accordingly, allocate a single budget share to the governing body of the federation.

(3) Where the local authority decides to allocate a single budget share to the governing body of a federation under paragraph (2), it must determine it by combining the budget shares of all the schools that form part of that federation.

(4) Where one or more schools are to leave a federation which has been allocated a single budget share under paragraph (2), the local authority must—

- (a) determine the budget share for each of the leaving schools, and
- (b) redetermine the budget share for the federation,

in accordance with Part 3 of these Regulations.

CHAPTER 2

Adjustments, Correction of Errors, and Alternative Arrangements Authorised by the Secretary of State

Pupils permanently excluded from, or leaving, maintained schools

27.—(1) Where a pupil is permanently excluded from a school maintained by a local authority (other than a special school, a pupil referral unit, or a place which the authority has reserved for children with special educational needs) (“the excluding school”) the authority must redetermine the excluding school’s budget share in accordance with paragraph (2).

(2) The excluding school’s budget share must be reduced by $A \times (B / 52) + C$ where—

- (a) A is the amount determined by the authority in accordance with this Part that would be attributable to a pupil of the same age and personal circumstances as the pupil in question at primary or secondary schools maintained by the authority for the full funding period;
- (b) B is either—

- (i) the number of complete weeks remaining in the funding period calculated from the relevant date; or
 - (ii) where the permanent exclusion takes effect on or after 1st April in a school year at the end of which pupils of the same age, or age group, as the pupil in question normally leave that school before being admitted to another school with a different pupil age range, the number of complete weeks remaining in that school year calculated from the relevant date; and
- (c) *C* is the amount of the adjustment made to the school's budget share under a financial adjustment order.
- (3) Where a pupil who has been permanently excluded from the excluding school and is admitted to another school maintained by a local authority (other than a special school, a pupil referral unit, or to a place which the authority has reserved for children with special educational needs) ("the admitting school") in the funding period, the authority must redetermine the admitting school's budget share in accordance with paragraphs (4) and (5).
- (4) The admitting school's budget share must be increased by an amount which is not less than $D \times (E / F)$ where—
- (a) *D* is the amount by which the authority reduced the budget share of the excluding school, or would have reduced the budget share if that school had been maintained by the authority, except that any reduction in the excluding school's budget share made under a financial adjustment order must not be taken into account for these purposes;
 - (b) *E* is the number of complete weeks remaining in the funding period during which the pupil is a pupil at the admitting school; and
 - (c) *F* is the number of complete weeks remaining in the funding period calculated from the relevant date.
- (5) In redetermining the admitting school's budget share, the authority may increase it by any amount up to the amount of the adjustment made to the excluding school's budget share under a financial adjustment order.
- (6) Where a permanently excluded pupil is subsequently reinstated by the governing body of the school, the school's budget share must be increased by an amount which is no less than $G \times (H / I)$ where—
- (a) *G* is the amount by which the authority reduced the school's budget share under paragraph (2);
 - (b) *H* is the number of complete weeks remaining in the funding period during which the pupil is reinstated; and
 - (c) *I* is the number of complete weeks remaining in the funding period calculated from the relevant date.
- (7) Paragraphs (1) and (2) also apply where a pupil leaves a maintained school (other than a special school, a pupil referral unit, or a place which the authority has reserved for children with special educational needs) for reasons other than permanent exclusion and is receiving education funded by a local authority other than at a school which is maintained by that authority.
- (8) For the purposes of paragraph (2)(a), the amount attributable to a pupil is the sum of the amounts determined in accordance with the authority's formula, by reference to pupil numbers rather than by reference to any other factor or criterion not dependent on pupil numbers (except that where a sixth form grant is payable in respect of the pupil in question, the amount attributable to that pupil is £4,000 for the funding period).

(9) Where a pupil in respect of whom a pupil premium is payable has been permanently excluded from a school maintained by a local authority (“the excluding school”), the local authority must redetermine the excluding school’s budget share in accordance with paragraph (10).

(10) The excluding school’s budget share must be reduced by $J \times (K / 52)$ where—

- (a) J is the amount of the pupil premium allocated to the excluding school for the funding period in respect of that child; and
- (b) K is either—
 - (i) the number of complete weeks remaining in the funding period calculated from the relevant date; or
 - (ii) where the permanent exclusion takes effect on or after 1st April in a school year at the end of which pupils of the same age, or age group, as the pupil in question normally leave that school before being admitted to another school with a different pupil age range, the number of complete weeks remaining in that school year calculated from the relevant date.

(11) Where a pupil in respect of whom a pupil premium is payable has been permanently excluded from a school maintained by a local authority and admitted to another school maintained by a local authority (“the admitting school”) in the funding period, the authority must redetermine the budget share of the admitting school in accordance with paragraph (12).

(12) The admitting school’s budget share must be increased by an amount which is not less than $L \times (M / N)$ where—

- (a) L is the amount by which the authority reduced the budget share of the excluding school or would have reduced the budget share had that school been maintained by the authority;
- (b) M is the number of complete weeks remaining in the funding period during which the pupil is a pupil at the admitting school; and
- (c) N is the number of complete weeks remaining in the funding period calculated from the relevant date.

(13) Where a permanently excluded pupil in respect of whom a pupil premium is payable is subsequently reinstated by the governing body of the school, the school’s budget share must be increased by an amount which is no less than $O \times (P / Q)$ where—

- (a) O is the amount by which the authority reduced the school’s budget share under paragraph (10);
- (b) P is the number of complete weeks remaining in the funding period during which the pupil is reinstated; and
- (c) Q is the number of complete weeks remaining in the funding period calculated from the relevant date.

(14) Paragraphs (9) and (10) also apply where a pupil in respect of whom a pupil premium is payable leaves a maintained school for reasons other than permanent exclusion and is receiving education funded by a local authority other than at a school which is maintained by that authority.

(15) For the purposes of this regulation—

- (a) “the relevant date” is the sixth school day following the date on which the pupil has been permanently excluded; and
- (b) “a financial adjustment order” means an order for the adjustment of a school’s budget share made under regulation 25(5)(b) of the School Discipline (Pupil Exclusions and Reviews)

(England) Regulations 2012(52) in respect of the exclusion of the pupil from the excluding school.

Correction of errors and changes in non-domestic rates

28.—(1) A local authority may at any time during the funding period redetermine a maintained school's budget share, or the amount allocated to a relevant early years provider, for the funding period or any previous funding period in order to correct an error in a determination or redetermination made under these Regulations or any previous regulations made under sections 47 or 47ZA of the 1998 Act, whether arising from a mistake as to the number of pupils at the school or otherwise, and any such redetermination will take effect in the next financial year following the funding period.

(2) A local authority may redetermine a school's budget share to take into account any changes in that school's non-domestic rate liability in relation to the funding period or any previous funding period.

(3) In so far as any redetermination under paragraph (1) would require the amount that would otherwise have been the budget share of a school to be reduced, it may not be reduced to a figure which is lower than that which could have been allocated to that school under the Regulations in force during the funding period in which the error occurred.

Alternative arrangements approved by the Secretary of State

29.—(1) Subject to paragraph (2), on application by a local authority, the Secretary of State may authorise the authority to—

- (a) disregard the limits referred to in paragraph 3 of Schedule 2 when deducting any expenditure referred to in regulation 8(3) (historic commitments);
- (b) deduct any expenditure referred to in regulation 8(11)(a) (expenditure falling outside Schedule 2);
- (c) alter the operation of regulation 11(3) (additional expenditure on children with special educational needs);
- (d) determine or redetermine budget shares of schools maintained by it;
- (e) determine or redetermine amounts to be allocated in respect of nursery classes in schools maintained by it;
- (f) determine or redetermine amounts to be allocated to relevant early years providers in its area;
- (g) include additional factors or criteria in its formula under regulation 10(1) (formula for determining budget shares) where the nature of a school's premises exceptionally gives rise to significant additional cost;
- (h) include additional factors or criteria that the authority proposes to include in its formula under regulation 10(3) (early years single funding formula);
- (i) vary the amount by which a school's redetermined adjusted budget share must be reduced for the purpose of determining the guaranteed level of funding in paragraph 1 of Schedule 4;
- (j) disregard regulation 13 (Pupil numbers);
- (k) alter the operation of regulation 25 (new schools, merged schools and closing schools) in respect of particular schools;

- (l) alter the operation of paragraphs 14 (primary sparsity) and 15 (secondary sparsity) of Schedule 3 in respect of particular schools; and
 - (m) alter the operation of regulation 22 (early years 93 per cent requirement).
- (2) The Secretary of State may authorise the matters in paragraph (1) to such extent as he or she may specify in accordance with arrangements approved in place of the arrangements provided for by these Regulations.

- (b) approve the proposals with modifications; or
- (c) refuse to approve the proposals.

(5) When approving proposals, the Secretary of State may specify the date on which the revised scheme is to come into force.

(6) No revised scheme is to come into force unless approved by the schools forum or the Secretary of State in accordance with this regulation.

Publication of schemes

32.—(1) A local authority—

- (a) must publish its scheme on a website which is accessible to the general public; and
- (b) may publish it elsewhere.

⁽⁵³⁾ Paragraph 2A of Schedule 14 to the 1998 Act was inserted by section 57 of, and paragraph 5 of Schedule 5 to, the 2006 Act.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make provision for local authorities' financial arrangements in relation to the funding of maintained schools and providers of funded early years provision in England, for the financial year 2017-2018.

The School and Early Years Finance (England) Regulations 2014 are revoked. The School and Early Years Finance (England) Regulations 2015 ("the 2015 Regulations") remain in force.

These Regulations define the non-schools education budget (regulation 4 and Schedule 1), the schools budget (regulation 6 and Schedule 2), central expenditure and the individual schools budget (regulation 8 and Schedule 2). They require local authorities to determine budget shares for schools maintained by them and amounts to be allocated in respect of early years provision in their areas, in accordance with the appropriate formulae (regulations 10 and 11). They impose a minimum funding guarantee for schools (regulation 21 and Schedule 4). There is a requirement to pass 93 per cent of funding to early years providers (regulation 22) and a ten per cent limit on the amount of funding that may be attributable to the discretionary (supplementary) part of the early years formulae (regulation 23). There are also requirements in relation to local authorities' schemes (regulation 30 and Schedule 5).

No impact assessment has been prepared for these Regulations as they have minimal impact on businesses, civil society organisations and the public sector.
