97B Standards instruments

(1) The power to make technical standards is to be exercised by the Payment Systems Regulator by making an instrument under this section (a “standards instrument”).

(2) A standards instrument must specify the provision under which the instrument is being made.

(3) To the extent that a standards instrument does not comply with subsection (2), it is void.

(4) A standards instrument must be published by the Payment Systems Regulator in the way appearing to the regulator to be best calculated to bring it to the attention of the public.

(5) The Treasury must lay before Parliament a copy of each standards instrument made under this section.

(6) The Payment Systems Regulator may charge a reasonable fee for providing a person with a copy of a standards instrument.

97C Treasury approval

(1) A standards instrument may be made only if it has been approved by the Treasury.

(2) The Treasury may refuse to approve a standards instrument if subsection (3) applies.

(3) This subsection applies if it appears to the Treasury that the instrument would—

(b) prejudice any current or proposed negotiations for an international agreement between the United Kingdom and one or more other countries, international organisations or institutions.

(4) For the purposes of subsection (3), “international organisations” includes the European Union.

(5) The Treasury must notify the Payment Systems Regulator in writing whether or not they approve a standards instrument within four weeks after the day on which that instrument is submitted to the Treasury for approval (“the relevant period”).

(6) Provision of a draft standards instrument to the Treasury for consultation does not amount to submission of the instrument for approval.

(7) If the Treasury do not approve the instrument, they must—

(a) set out in the notice given under subsection (5) the Treasury's reasons for not approving the instrument;

(b) lay before Parliament—

(i) a copy of that notice;

(ii) a copy of any statement made by the Payment Systems Regulator as to its reasons for wishing to make the instrument.

(8) If the Treasury do not give notice under subsection (5) before the end of the relevant period, the Treasury is deemed to have approved the standards instrument.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations are made in exercise of the powers in section 8 of, and paragraph 1 of Schedule 4 to, the European Union (Withdrawal) Act 2018 in order to address failures of retained EU law to operate effectively and other deficiencies arising from the withdrawal of the United Kingdom from the European Union. Part 2 of the Regulations delegates the Treasury's powers under section 8 of the European Union (Withdrawal) Act 2018 to the Financial Conduct Authority, the Prudential Regulation Authority, the Bank of England and the Payment Systems Regulator (“the regulators”) to enable the regulators to remove deficiencies in those binding technical standards identified in the Schedule to the Regulations. The delegation is subject to the restrictions set out in regulation 3(4).

Part 3 of the Regulations amends the Financial Services and Markets Act 2000 and the Financial Services (Banking Reform) Act 2013 to provide for the way in which the regulators are to exercise legislative functions of EU bodies which may be transferred to them under the European Union (Withdrawal) Act 2018. It also makes consequential amendments to the Payment Card Interchange Fee Regulations 2015.

An impact assessment of the effect that this instrument will have on the costs of business, the voluntary sector and the public sector will be available from HM Treasury, 1 Horse Guards Road, London SW1A 2HQ and published alongside this instrument at www.legislation.gov.uk.
