Variable speed limits

3.—(1) No person shall drive a vehicle on a section of road which is subject to a variable speed limit at a speed exceeding that indicated by a speed limit sign.

(2) A section of a road is subject to a variable speed limit in relation to a vehicle being driven along it if—

- (a) the road is specified in the Schedule;
- (b) the vehicle has passed a speed limit sign;
- (c) the vehicle has not subsequently passed—

(4) For the purposes of this regulation a speed limit sign is to be taken as not indicating any speed limit if, ten seconds before the vehicle passed it, the sign had indicated no speed limit or that the national speed limit was in force.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations introduce variable speed limits to—

- (a) the eastbound and westbound carriageways of the M20 motorway between junctions 3 and 4;
- (b) sections of the left hand or nearside lane of the eastbound and westbound carriageways of the M20 between junctions 4 and 5;
- (c) the off-slip road from the eastbound carriageway of the M20 motorway to the A228 and the on-slip road from the A228 to the westbound carriageway of the M20 motorway; and
- (d) sections of the carriageways linking the M20 motorway with the M26 motorway both eastbound and westbound.

Regulation 3 provides for variable speed limits to have effect on the roads specified in paragraph 1 of the Schedule. Where variable speed limit signs are in operation a vehicle may not be driven at a speed above the maximum indicated by each speed limit sign passed by a vehicle until it passes a sign indicating that the national speed limit applies or the vehicle leaves the roads covered by the regulation. Where a speed limit changes less than ten seconds before a vehicle passes the sign and the sign had indicated a higher speed limit, the regulation allows the driver to proceed at a speed up to the maximum applicable before the change. Where the speed limit sign indicates a speed limit when it is passed by a vehicle but less than ten seconds previously it was either giving no indication of a speed limit or that the national speed limit applied, the sign is to be taken as giving no indication of a speed limit to the vehicle passing it.

Contravention of these Regulations is an offence under section 17(4) of the Road Traffic Regulation Act 1984.

An impact assessment has not been prepared for these Regulations as no impact on the cost of business or the voluntary sector is foreseen. An Explanatory Memorandum is published alongside the Regulations at www.legislation.gov.uk.
