The Additional Learning Needs (Wales) Regulations 2021

PART 2

INDIVIDUAL DEVELOPMENT PLANS

Transfer of responsibility for individual development plans

Giving copies of individual development plans in transfer situations

15.—(1) Paragraph (2) applies in each of the following circumstances—

- (a) a governing body or a local authority (“the new body”) becomes responsible under Part 2 of the 2018 Act for maintaining or keeping an individual development plan which was previously maintained or kept under that Part by another governing body or local authority (“the old body”);
- (b) a local authority (“the new body”) would become responsible under Part 2 of the 2018 Act for maintaining or keeping an individual development plan which was previously maintained or kept under that Part by a governing body or another local authority (“the old body”) but for the new body’s lack of knowledge of circumstances which give rise to it being responsible for the plan (see sections 30(5) and 42(5) of the 2018 Act and regulation 22(3));
- (c) a governing body of a maintained school (“the new body”) becomes responsible for maintaining an individual development plan by virtue of a local authority (“the old body”) directing the governing body under section 14(2)(b)(i) or (4) of the 2018 Act.

(2) The old body must give a copy of the plan to the new body unless the new body already has a copy of it.

(3) But where the old body is not aware of the circumstances giving rise to the transfer of responsibility for the plan, the duty in paragraph (2) does not apply until the old body is aware of those circumstances.
