

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 1

Licensable activities

PART 1

Business test

1. The circumstances which a local authority must take into account in determining whether an activity is being carried on in the course of a business for the purposes of this Schedule include, for example, whether the operator—

- (a) makes any sale by, or otherwise carries on, the activity with a view to making a profit, or
- (b) earns any commission or fee from the activity.
