#### *Schedule 6*

240. [Schedule 6](#) as introduced by section 53(3) inserts Schedule 1B into the Commons Act 2006.
241. Schedule 1B makes provision for a number of “trigger events”, the occurrence of which brings to an end a person’s right to apply for the registration of land as a town or village green under section 15(1) of the Commons Act 2006. These are the grant of planning permission under TCPA 1990 or of development consent under the Planning Act 2008. Each of those trigger events is accompanied by a corresponding set of “terminating events”, upon which the right under section 15(1) becomes exercisable again. These include the expiry, revocation or quashing of the relevant permission or consent.
