PART 3

38 Power to replace descriptions of dates and times in Welsh legislation

- (1) Where a provision in any legislation to which this section applies describes a date or time by reference to the coming into force of an enactment or the occurrence of any other event, the Welsh Ministers may by regulations amend the provision so that it refers to the actual date or time (once known).
- (2) Regulations under subsection (1) may also—
 - (a) amend the legislation to include an explanation of the date or time they insert;
 - (b) make consequential provision which amends, repeals or revokes any enactment.
- (3) This section applies to the following legislation (whenever enacted or made)—
 - (a) [^{F1}Acts of Senedd Cymru] and Assembly Measures;
 - (b) subordinate legislation made under [^{F1}Acts of Senedd Cymru] and Assembly Measures;

39 Power to make subordinate legislation in different forms

- (1) Where the Welsh Ministers have a power or duty to make subordinate legislation in the form of regulations, rules or an order made by statutory instrument, they may exercise the power or duty by making the subordinate legislation in any other of those forms by statutory instrument.
- (2) This does not affect the procedure for making a statutory instrument containing the subordinate legislation.
- (3) A reference in any enactment, instrument or document to regulations, rules or an order made under the power or duty includes subordinate legislation made under it in any other form in reliance on subsection (1).
- (4) Subsection (1) does not apply to subordinate legislation that—
 - (a) is made under an Act of the Parliament of the United Kingdom or retained direct EU legislation, and
 - (b) applies otherwise than in relation to Wales.

40 Combining subordinate legislation subject to different [^{F2}Senedd] procedures

- (1) Where the Welsh Ministers make, or propose to make, a statutory instrument that would otherwise be subject to two or more different [^{F3}Senedd] procedures as a result of the subordinate legislation that it contains, whichever of those [^{F3}Senedd] procedures is mentioned first in subsection (2) applies to the instrument (and none of the other [^{F3}Senedd] procedures apply).
- (2) In this section, “[^{F4}Senedd] procedure” means a procedure which has the effect that—
 - (a) a statutory instrument (or the subordinate legislation that it contains) may not be made unless a draft of the instrument has been laid before, and approved by a resolution of, [^{F5}Senedd Cymru],
 - (b) a statutory instrument must be laid before [^{F6}Senedd Cymru] after being made and must be approved by resolution of [^{F6}Senedd Cymru] in order for the subordinate legislation that it contains to come into force or continue in force,
 - (c) a statutory instrument is subject to annulment in pursuance a resolution of [^{F7}Senedd Cymru],
 - (d) a statutory instrument must be laid before [^{F8}Senedd Cymru] after being made, or
 - (e) a statutory instrument is not required to be laid before [^{F9}Senedd Cymru] at any time.
- (3) The fact that the Welsh Ministers have made subordinate legislation in a statutory instrument to which subsection (1) applies does not—
 - (a) prevent them making further subordinate legislation in a statutory instrument to which that subsection does not apply, or
 - (b) affect the [^{F10}Senedd] procedure that applies to such an instrument.
- (4) Subsection (1) does not apply to a statutory instrument containing any subordinate legislation that—
 - (a) is made by the Welsh Ministers under an Act of the Parliament of the United Kingdom or retained direct EU legislation, and
 - (b) applies otherwise than in relation to Wales.
