ISSUE OF LICENCES

- 1 An application for a licence shall be in such form as the Ministry may require, and shall be made to the Ministry at such time and in such manner as may be prescribed.
- 2 (1) An applicant for a licence with respect to premises where a business involving an activity of any class or description to which section 2(1) applies is carried on shall, at the time at which the application is made, pay to the Ministry a fee of such amount as may, with the approval of the Ministry of Finance, be prescribed for licences with respect to premises used in connection with businesses involving activities of that class or description.
(2) A fee prescribed under sub-paragraph (1) may be of a specified amount or may be calculated by reference to the amount or quantity of poultry or eggs produced, or capable of being produced, in the premises in question.
(3) The Public Offices Fees Act 1879 (fees payable in public offices to be collected in money or by stamps as the Ministry of Finance by order published in the Belfast Gazette directs) shall not apply to a fee payable under this paragraph.
- 3 The Ministry may refuse to issue a licence—
 - (a) to an applicant who in his application gives information which is false or incomplete in a material particular; or
 - (b) to an applicant who formerly held a licence and whose licence has been revoked or renewal of whose licence has been refused; or
 - (c) if the premises with respect to which the application is made are wholly or partly the same as those used for purposes in connection with which a licence previously held by another person has been revoked or refused to be renewed and the Ministry is not satisfied that the business in connection with which the licence is applied for is not carried on or to be carried on wholly or partly for the benefit of that other person; or
 - (d) if the Ministry is not satisfied—
 - (i) that the premises with respect to which application for the licence is made and the plant, equipment and utensils to be used in or in connection with the premises comply with the prescribed standards; and
 - (ii) that the standard of husbandry practised or likely to be practised in the premises is adequate.

DURATION OF LICENCES

- 4 A licence shall, unless suspended under paragraph 6 or revoked under paragraph 7, be in force for such year or such other period as the Ministry may direct, but shall be renewable; and, subject to paragraph 7, this Schedule shall apply to the renewal of a licence as it applies to the grant thereof.

AMENDMENT OF CONDITIONS

- 5 The Ministry may amend any conditions specified in a licence but no such amendment shall have effect until it has been brought to the notice of the licence-holder.

SUSPENSION

- 6 (1) The Ministry may suspend a licence where, following an inspection by an authorised officer of the premises, plant, equipment, utensils or practice of the licence-holder, it appears to the Ministry that the prescribed standards are not being observed or that the standard of husbandry is inadequate, but that the prescribed standards could be observed, or that there is reason to believe that the standard of husbandry will be rendered adequate, within a reasonable period.
- (2) When the Ministry suspends a licence, the Ministry shall serve on the licence-holder—
- (a) notice in writing of the suspension; and
 - (b) particulars of the action which appears to the Ministry to be necessary to bring his premises, plant, equipment or utensils into conformity with the prescribed standards or to render his standard of husbandry adequate;
- and shall also inform him of his right to require a fresh inspection under sub-paragraph (3).
- (3) Where the licence-holder is of the opinion that any action of which particulars are served on him under head (b) of sub-paragraph (2) is unreasonable, he may require a fresh inspection of his premises, plant, equipment, utensils or practice by an authorised officer other than the officer who made the inspection mentioned in sub-paragraph (1); and on receipt of the report of such other officer the Ministry shall review the suspension and the particulars served under the said head (b), having regard to that officer's report and any further representations which may be made by the licence-holder.
- (4) The suspension of a licence under this paragraph shall, in the first instance, have effect for twenty-eight days or such shorter period as the Ministry may direct, and may be extended; but, except for the purpose mentioned in paragraph 8(2), no such extension shall be made so as to continue the suspension for a period exceeding fifty-six days in all.

REVOCATION OF, AND REFUSAL TO RENEW, LICENCES

- 7 The Ministry may revoke or refuse to renew a licence—
- (a) where the Ministry is satisfied that the licence-holder or any person acting on his behalf has contravened or failed to comply with any condition of the licence; or
 - (b) where the licence-holder is convicted of an offence under any provision of this Act; or
 - (c) where the Ministry is not satisfied that the prescribed standards are being observed or that an adequate standard of husbandry is being practised, and it

- does not appear to the Ministry that those standards can or will be observed or (as the case may be) that the standard of husbandry will be rendered adequate within a reasonable period; or
- (d) where the licence has been suspended and any action of which particulars have been served under sub-paragraph (2)(*b*) of paragraph 6, or any such action as modified in consequence of the review mentioned in sub-paragraph (3) of that paragraph, has not been completed to the satisfaction of the Ministry within the period, or any extended period, of the suspension; or
- (e) on any ground on which the Ministry might have refused to issue a licence.
- 8 (1) Where the Ministry proposes to revoke or to refuse to renew a licence, the Ministry shall serve on the licence-holder—
- (a) in the case of a licence other than a suspended licence, at least twenty-eight days, or
- (b) in the case of a suspended licence, at least fourteen days,
- prior notice in writing of its intention to do so and of the grounds upon which the proposed revocation or refusal is contemplated; and before revoking or, as the case may be, refusing to renew the licence the Ministry shall consider any representations in writing in relation thereto made by the licence-holder before the expiration of the period of the notice.
- (2) Notwithstanding the limitation imposed by paragraph 6(4), the period of suspension of any licence may be extended until the expiration of the period of the notice mentioned in sub-paragraph (1)(*b*).

NOTICE OF REFUSAL OR REVOCATION

- 9 Where the Ministry refuses to issue a licence or revokes or refuses to renew a licence the Ministry shall serve a notice in writing to that effect on the person whose application for a licence has been refused or, as the case may be, whose licence has been revoked or the renewal of whose licence has been refused; and,—
- (a) the notice shall specify the grounds on which the application has been refused or the licence revoked or its renewal refused; and
- (b) except where the application has been refused on any of the grounds mentioned in paragraph 3(*d*) or the licence has been revoked or the renewal thereof has been refused on any of the grounds mentioned in paragraph 7(*c*) or (*d*), the notice shall inform that person of his right, if he questions the grounds of the refusal or revocation, to demand a reference upon the matters in question in pursuance of paragraph 10, and of the time within which the demand may be made.

- (c) if such a ground of objection is so established, the referee shall quash the refusal or revocation.
- (2) Where the referee quashes a refusal or revocation as mentioned in head (b) of sub-paragraph (1) he shall state his reasons for the opinion mentioned in that head.
