

Infrastructure (Wales) Act 2024

2024 asc 3

PART 6

INFRASTRUCTURE CONSENT ORDERS

Provision in orders authorising compulsory acquisition

67 Compensation for compulsory acquisition

- (1) This section applies in relation to an infrastructure consent order that includes provision authorising the compulsory acquisition of land.
- (2) The order may not include provision the effect of which is to modify the application of a compensation provision, except to the extent necessary to apply the provision to the compulsory acquisition of land authorised by the order.
- (3) The order may not include provision the effect of which is to exclude the application of a compensation provision.
- (4) A “compensation provision” is an enactment that relates to compensation for the compulsory acquisition of land.
