COMMENTARY ON SECTIONS

Grant, renewal and duration of authorisations

Section 19: General rules about grant, renewal and duration

75. This section sets out the general rules for authorisations, including their granting, renewal, and duration.
76. *Subsection (1)* provides that, in urgent cases, an authorising officer may give an oral authorisation. All other authorisations must be in writing.
77. *Subsection (2)* provides that a single authorisation may be given, combining two or more authorisations under this Act. When this occurs, the provisions of this Act which relate to one type of activity only shall apply to those parts of the authorisation which authorises that type of activity. Further provisions for combined authorisations are in section 11(4).
78. *Subsection (3)* provides that oral authorisations and those granted by officers entitled to act in urgent cases in the absence of the authorising officer or his designated deputy will expire after 72 hours, beginning with the time when the grant or renewal of an authorisation takes effect.
79. Except where granted or renewed orally or by an officer entitled to act in urgent cases, authorisations for the use of covert human intelligence sources will last for 12 months, beginning with the day on which the grant or renewal takes effect.
80. Authorisations for the use of intrusive or directed surveillance will last for 3 months. The time limits in *subsection (3)* are all subject to *subsection (8)*.
81. *Subsection (4)* provides that an authorisation may be renewed at any time before it ceases to have effect by any person entitled to grant a new authorisation of the same type. The same conditions attach to a renewal of surveillance as to the original authorisation. However, before renewal of an authorisation for the conduct or use of a covert human intelligence source, *subsection (6)* requires there to be a review of the use made of that source, the tasks given to that source and the information so obtained.
82. *Subsection (5)* applies sections 6 to 18 in relation to renewal of authorisations on the same basis as those sections apply to grants of authorisations.
83. *Subsections (6) and (7)* impose conditions for the renewal of an authorisation for the conduct or use of a covert human intelligence source. The person who is empowered to renew the authorisation must be satisfied that a review has been carried out of the matters mentioned in *subsection (7)* and has, for the purpose of deciding whether he should renew the authorisation, considered the results of that review. The matters which must be reviewed are specified in *subsection (7)* and are the use made of the source in

the period since the grant or, as the case may be, latest renewal of the authorisation and the tasks given to the source during that period and the information obtained from the conduct or the use of the source.

84. *Subsection (8)* gives power to the Scottish Ministers to specify by order shorter periods than those mentioned in *subsection (3)*.
85. *Subsection (9)* provides that a renewal of an authorisation shall take effect not from the time of renewal but from the day the authorisation would have ceased to have effect, but for the renewal.
