## EXPLANATORY NOTES

### BACKGROUND AND OVERVIEW

#### **Part 5 – Strategic Housing Functions**

##### ***Section 93: Assistance for housing purposes: further provision***

141. This section allows the Scottish Ministers to set out in regulations and in guidance provisions governing assistance from local authorities to registered social landlords and other persons (including individuals), and provides powers for local authorities to set terms and conditions on the grants that they themselves make. *Subsection (5)* allows Ministers to amend earlier legislation so as to ensure that assistance which could be given under this section does not conflict with or duplicate existing powers.
