Section 29 Notices requiring remedial works relating to reinstatements

84. **Section 29** makes amendments to sections 131 and 149 of the 1991 Act, to allow different notice periods for remedial works on the reinstatement of roads, sewers, drains and tunnels to be prescribed. This allows a road works authority, where reinstatement does not meet the required standard and requires remedial work which may be urgent, to shorten the minimum period for the remedial works to be completed by undertakers.
