 - (i) is described in the book of reference; and
 - (ii) may be required by the authorised undertaker for the purposes of the authorised works; and
 - (b) such of the land so shown within the limits of land to be acquired or used and so described as—

as may be required for any purpose for which that land may be acquired under that section.

- (2) Rights acquired under subsection (1) above may be heritable or moveable, and may be created as new rights for the purpose of acquisition under this section.
- (3) Where the authorised undertaker acquires subsoil or a right over land under subsection (1) above, the authorised undertaker shall not be required to acquire an interest in the land which is greater than that right.
- (4) Accordingly section 90 of the 1845 Lands Act (which provides that the owner of a house, building or manufactory who is willing to sell the whole property cannot be required to sell only part) shall not apply to any compulsory acquisition under this section or under section 15 below.
- (5) Subject to subsections (6) and (7) below, the Lands Clauses Acts, as incorporated with this Act, shall have effect with the modifications necessary to make them apply to the compulsory acquisition of new rights under this section or under section 15 below as they apply to the compulsory acquisition of land.

- (7) Section 61 of the 1845 Lands Act (estimation of purchase money and compensation) shall apply to the compulsory acquisition of such a right as if for the words from “value” to “undertaking” there were substituted the words “ extent (if any) to which the value of the land in or over which the right is to be acquired is depreciated by the acquisition of the right ”.

15 Purchase of specific new rights over land

- (1) Subject to section 27 below, the authorised undertaker may acquire compulsorily in or over any of the land shown on the Parliamentary plans within any limits of land to be acquired or used and specified in columns (1), (2) and (3) of Part 2 of schedule 6 to this Act, such servitudes or other new rights as it requires for the purposes mentioned in column (4) of that Part.

- (2) The powers conferred by subsection (1) above may be exercised in relation to a road or place without the authorised undertaker being required to acquire any part of the road or place or any servitude or right in relation to it.
- [^{F1}(3) The powers conferred by this section constitute a real right.]
- (4) Any person, who is an owner or occupier of land in respect of which the power of appropriation conferred by subsection (1) above is exercised without the authorised undertaker acquiring any part of that person's interest in the land, and who suffers

- (a) interests in subsoil;
 - (b) new rights; or
 - (c) land within the limits of land to be acquired or used for any purpose specified in relation to that land in schedule 6 to this Act.
- (9) Where the authorised undertaker takes possession of land under this section, it shall not be required to acquire the land or any interest in it.

Compensation

18 Disregard of certain interests and improvements

- (1) In assessing the compensation (if any) payable on the acquisition from any person of any land under this Act, the tribunal shall not take into account—
- (a) any interest in land; or
 - (b) any enhancement of the value of any interest in land by reason of any building erected, works executed or improvement or alteration made on relevant land, if the tribunal is satisfied that the creation of the interest, the erection of the building, the execution of the works or the making of the improvement or alteration was not reasonably necessary and was undertaken with a view to obtaining compensation or increased compensation.
- (2) In subsection (1) above “relevant land” means the land acquired from the person concerned or any other land with which that person is, or was at the time when the building was erected, the works executed or the improvement or alteration made, directly or indirectly concerned.

19 Set-off of betterment against compensation

In determining the amount of compensation or purchase money payable to any person in respect of an interest in land acquired under this Act in a case where—

- (a) the person has an interest in any other land contiguous with or adjacent to the land so acquired; and
- (b) the value of the person's interest in any such contiguous or adjacent land is enhanced by reason of the works authorised by this Act or any of them,

the amount of the enhancement in value shall be set off against the compensation or purchase money.

20 No double recovery

Compensation shall not be payable in respect of the same matter both under this Act and under any other enactment, any contract or any rule of law.

Status: Point in time view as at 08/12/2014.

Supplementary

21 Acquisition of part of certain properties

- (1) This section shall apply instead of section 90 of the 1845 Lands Act in any case where—
 - (a) a notice to treat is served on a person (“the owner”) under that Act (as incorporated with this Act by section 52 below) in respect of—
 - (i) land forming only part of a house, building or factory; or
 - (ii) land consisting of a house with a park or garden, (“the land subject to the notice to treat”); and
 - (b) a copy of this section is served on the owner with the notice to treat.
- (2) In such a case, the owner may, within the period of 21 days beginning with the day on which the notice was served, serve on the authorised undertaker a counter-notice objecting to the sale of the land subject to the notice to treat and stating that the owner is willing and able to sell the whole (“the land subject to the counter-notice”).
- (3) If no such counter-notice is served within that period, the owner shall be required to sell the land subject to the notice to treat.
- (4) If such a counter-notice is served within that period, the question whether the owner shall be required to sell only the land subject to the notice to treat shall, unless the authorised undertaker agrees to take the land subject to the counter-notice, be referred to the tribunal.
- (5) If on such a reference the tribunal determines that the land subject to the notice to treat can be taken—
 - (a) without material detriment to the remainder of the land subject to the counter-notice; or
 - (b) in the case of part of land consisting of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity or convenience of the house,
 the owner shall be required to sell the land subject to the notice to treat.
- (6) If on such a reference the tribunal determines that only part of the land subject to the notice to treat can be taken—
 - (a) without material detriment to the remainder of the land subject to the counter-notice; or
 - (b) in the case of part of land consisting of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity or convenience of the house,
 the notice to treat shall be deemed to be a notice to treat for that part.
- (7) If on such a reference the tribunal determines that—
 - (a) the land subject to the notice to treat cannot be taken without material detriment to the remainder of the land subject to the counter-notice; but
 - (b) the material detriment is confined to a part of the land subject to the counter-notice,
 the notice to treat shall be deemed to be a notice to treat for the land to which the material detriment is confined in addition to the land already subject to the notice,

Status: Point in time view as at 08/12/2014.

Changes to legislation: There are currently no known outstanding effects for the Waverley Railway (Scotland) Act 2006. (See end of Document for details)

whether or not the additional land is land which the authorised undertaker is authorised to acquire compulsorily under this Act.

- (8) If the authorised undertaker agrees to take the land subject to the counter-notice, or if the tribunal determines that—
- (a) none of the land subject to the notice to treat can be taken without material detriment to the remainder of the land subject to the counter-notice or, as the case may be, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity or convenience of the house; and
 - (b) that the material detriment is not confined to a part of the land subject to the counter-notice,

the notice to treat shall be deemed to be a notice to treat for the land subject to the counter-notice whether or not the whole of that land is land which the authorised undertaker is authorised to acquire compulsorily under this Act.

- (9) In any case where by virtue of a determination by the tribunal under this section a notice to treat is deemed to be a notice to treat for less land or more land than that specified in the notice, the authorised undertaker may, within the period of 6 weeks beginning with the day on which the determination is made, withdraw the notice to treat; and if it does so it shall pay the owner compensation for any loss or expense occasioned to the owner by the giving and withdrawal of the notice, to be determined in case of dispute by the tribunal.
- (10) Where the owner is required under this section to sell only part of a house, building or factory or of land consisting of a house with a park or garden, the authorised undertaker shall pay the owner compensation for any loss sustained by the owner due to the severance of that part in addition to the value of the interest acquired.

22 Extinction or suspension of rights of way

- (1) Subject to subsection (6) below, all private rights of way over land subject to compulsory acquisition under this Act shall be extinguished—
- (a) as from the acquisition of the land by the authorised undertaker, whether compulsorily or by agreement; or
 - (b) on the entry on the land by the authorised undertaker under section 24 below, whichever is sooner.
- (2) Subject to subsection (7) below, all private rights of way over land of which the authorised undertaker takes temporary possession under this Act shall be suspended and unenforceable for as long as the authorised undertaker remains in lawful possession of the land.
- (3) Any person who suffers loss by the extinguishment or suspension of any private right of way under this section shall be entitled to compensation to be determined, in case of dispute, under the 1963 Act.
- (4) This section does not apply in relation to any right of way to which section 224 or 225 of the Town and Country Planning (Scotland) Act 1997 (c. 8) (extinguishment of rights of statutory undertakers etc.) applies.
- (5) Subsections (1) and (2) above shall have effect subject to any agreement made (whether before or after this Act comes into force) between the authorised undertaker and the person entitled to the private right of way.

Status: Point in time view as at 08/12/2014.

Changes to legislation: There are currently no known outstanding effects for the Waverley Railway (Scotland) Act 2006. (See end of Document for details)

- (6) The authorised undertaker may, before whichever is the sooner of the events specified in paragraphs (a) and (b) of subsection (1) above, determine that any right of way specified in the determination is capable of being exercised compatibly with the construction and maintenance of the relevant part of the authorised works, and that subsection (1) above shall not apply to that right.
- (7) The authorised undertaker may, at any time before or after temporary possession of any land is taken, determine that any right of way specified in the determination is capable of being exercised, in whole or to such extent as may be specified in the determination, compatibly with the temporary use of the land under this Act, and that subsection (2) above shall not apply to that right or shall only apply to the extent specified in the determination.
- (8) Notice of a determination under this section shall be posted on the land mentioned in subsection (1) or, as the case may be, (2) above—
 - (a) in the case of a determination under subsection (6) above, for the period of 28 days after the sooner of the events specified in paragraphs (a) and (b) of subsection (1) above; and
 - (b) in the case of a determination under subsection (7) above, throughout the period that the authorised undertaker remains in possession of the land.
- (9) This section does not apply to any of the land specified in columns (1), (2) and (3) of Part 2 of schedule 6 to this Act (land outside the limits of deviation in which rights are to be acquired).

23 Power to enter land for survey, etc.

- (1) The authorised undertaker may, in relation to any land within the limits of deviation or the limits of land to be acquired or used, for the purposes of this Act—
 - (a) survey or investigate the land;
 - (b) without prejudice to the generality of paragraph (a) above, make trial holes in such positions as the authorised undertaker thinks fit on the land to investigate the nature of the surface layer and subsoil and remove water and soil samples;
 - (c) without prejudice to the generality of paragraph (a) above, carry out archaeological investigations on the land;
 - (d) take steps to protect or remove any flora or fauna on the land where the flora or fauna may be affected by the carrying out of the works;
 - (e) place on, leave on and remove from the land apparatus for use in connection with the exercise of any power conferred by paragraphs (a) to (d) above; and
 - (f) enter on the land for the purpose of exercising any power conferred by paragraphs (a) to (e) above.
- (2) No land may be entered, or equipment placed or left on or removed from land, under subsection (1) above, unless—
