Section 16: Guidance and information about advertising

33. This section allows the Organising Committee to issue guidance about advertising within the vicinity of Games locations. It also allows for the advertising regulations to require prescribed persons to inform others of the likely effect of the ban on advertising in the vicinity of Games locations (section 10) and of the advertising regulations. Those regulations may also require a person who grants an advertising licence to inform the licensee of the effect of section 15.
