Meaning of expressions used in this schedule

 - (b) any other school which would be significantly affected in consequence of the proposal (if implemented).
- (2) So (for example) an affected school is—
- (a) a school which it is proposed be discontinued,
 - (b) a school to which the education authority proposes to transfer some or all of the pupils of a discontinued school,
 - (c) a school in respect of which it is proposed to alter the catchment area (including where that is the result of the discontinuance of another school),
 - (d) a school from which it is proposed to transfer pupils as a result of the establishment of a new school.
- (3) But a school is not an affected school solely because it would be likely to become the subject of placing requests as a consequence of the implementation of a proposal.
