- (a) that there are reasonable grounds for entering the premises in question, and
  - (b) that—
    - (i) entry to the premises has been or is likely to be refused and that notice of the intention to apply for a warrant under this section has been given to the occupier,

- (3) The occupier of the premises concerned must be given at least 24 hours’ notice before a person carries out an inspection under section 53 unless the person carrying out the inspection considers that giving such notice would defeat the object of the proposed inspection.
- (4) A person carrying out an inspection under section 53 must, if required to do so, produce written evidence of the person’s authorisation to carry out the inspection.
- (5) On leaving any premises which a person is authorised to enter by a warrant granted under section 54, the person must, if the premises are unoccupied or the occupier is temporarily absent, leave the premises as effectively secured against trespassers as the person found them.

- (6) A person who takes possession of any item under section 53(2)(c) must leave a statement on the premises from which the item was removed—
