22 Directions specifying development as a significant infrastructure project

- (1) The Welsh Ministers may give a direction specifying development as a significant infrastructure project.
- (2) The Welsh Ministers may only give a direction under subsection (1) if—
 - (a) the development will (when completed) be wholly or partly in Wales or the Welsh marine area,

- (2) A direction under this section may provide for specified provisions of any enactment (including an enactment contained in this Act)—
 - (a) to have effect in relation to the application, or proposed application, with any specified modifications, or
 - (b) to be treated as having been complied with in relation to the application or proposed application.
- (3) If the Welsh Ministers give a direction under this section, the relevant authority must refer the application, or proposed application, to the Welsh Ministers instead of dealing with it themselves.

- (6) If the Welsh Ministers receive a qualifying request, they must give reasons for their decision to give or not to give the requested direction to the person who made the request.
- (7) In this section—
 - “developer” (“*datblygwr*”) means—
