  - (b) the relative has no actual knowledge that—
    - (i) the adult's most recent view was that the adult was unwilling for the part to be removed and used for transplantation, or
    - (ii) if the adult were capable of making a decision about removal and use of the part, the adult would be unwilling in the circumstances for the part to be removed and used for transplantation, and
  - (c) the relative, having had regard to any evidence referred to in section 16H(6) (a) and (b), is satisfied that—
    - (i) the adult was not unwilling for the part to be removed and used for transplantation, and
    - (ii) if the adult were capable of making a decision about removal and use of the part, the adult would not be unwilling in the circumstances for the part to be removed and used for transplantation.
