

Commission Decision of 10 October 2007 on the State aid implemented by France in connection with the reform of the arrangements for financing the retirement pensions of civil servants working for La Poste (notified under document number C(2007) 4545) (Only the French version is authentic) (Text with EEA relevance) (2008/204/EC)

Article 1

The cap imposed in 1998 on the repayment by La Poste of retirement pensions paid by the State to civil servants working for La Poste and the notified reform of the pension arrangements for the said civil servants under Article 150 of the Amending Finance Law 2006 constitute State aid that is compatible with the common market provided that the conditions set out in Article 2 are met.
