

Directive 2005/32/EC of the European Parliament and of the Council of 6 July 2005 establishing a framework for the setting of ecodesign requirements for energy-using products and amending Council Directive 92/42/EEC and Directives 96/57/EC and 2000/55/EC of the European Parliament and of the Council (repealed)

Article 4

Responsibilities of the importer

Where the manufacturer is not established within the Community and in the absence of an authorised representative, the obligation:

- to ensure that the EuP placed on the market or put into service complies with this Directive and the applicable implementing measure,
- to keep the declaration of conformity and the technical documentation available,

shall lie with the importer.
