[^{F1}CHAPTER X

AUDIT COMMITTEE

Article 39

Audit committee

1 Member States shall ensure that each public-interest entity has an audit committee. The audit committee shall be either a stand-alone committee or a committee of the administrative body or supervisory body of the audited entity. It shall be composed of non-executive members of the administrative body and/or members of the supervisory body of the audited entity and/or members appointed by the general meeting of shareholders of the audited entity or, for entities without shareholders, by an equivalent body.

At least one member of the audit committee shall have competence in accounting and/or auditing.

The committee members as a whole shall have competence relevant to the sector in which the audited entity is operating.

A majority of the members of the audit committee shall be independent of the audited entity. The chairman of the audit committee shall be appointed by its members or by the supervisory body of the audited entity, and shall be independent of the audited entity. Member States may require the chairman of the audit committee to be elected annually by the general meeting of shareholders of the audited entity.

2 By way of derogation from paragraph 1, Member States may decide that in the case of public-interest entities which meet the criteria set out in points (f) and (t) of Article 2(1) of Directive 2003/71/EC of the European Parliament and of the Council⁽¹⁾, the functions assigned to the audit committee may be performed by the administrative or supervisory body as a whole, provided that where the chairman of such a body is an executive member, he or she shall not act as chairman whilst such body is performing the functions of the audit committee.

Where an audit committee forms part of the administrative body or of the supervisory body of the audited entity in accordance with paragraph 1, Member States may permit or require the administrative body or the supervisory body, as appropriate, to perform the functions of the audit committee for the purpose of the obligations set out in this Directive and in Regulation (EU) No 537/2014.

3 By way of derogation from paragraph 1, Member States may decide that the following public-interest entities are not required to have an audit committee:

- a any public-interest entity which is a subsidiary undertaking within the meaning of point 10 of Article 2 of Directive 2013/34/EU if that entity fulfils the requirements set out in paragraphs 1, 2 and 5 of this Article, Article 11(1), Article 11(2) and Article 16(5) of Regulation (EU) No 537/2014 at group level;

The public-interest entities referred to in point (c) shall explain to the public the reasons why they consider that it is not appropriate for them to have either an audit committee or an administrative or supervisory body entrusted to carry out the functions of an audit committee.

4 By way of derogation from paragraph 1, Member States may require or allow a public-interest entity not to have an audit committee provided that it has a body or bodies performing equivalent functions to an audit committee, established and functioning in accordance with provisions in place in the Member State in which the entity to be audited is registered. In such a case the entity shall disclose which body carries out those functions and how that body is composed.

5 Where all members of the audit committee are members of the administrative or supervisory body of the audited entity, the Member State may provide that the audit committee is to be exempt from the independence requirements laid down in the fourth subparagraph of paragraph 1.

6 Without prejudice to the responsibility of the members of the administrative, management or supervisory bodies, or of other members who are appointed by the general meeting of shareholders of the audited entity, the audit committee shall, inter alia:
