

Council Regulation (EEC) No 95/93 of 18 January 1993 on
common rules for the allocation of slots at Community airports

F1 Article 7

Information for schedules facilitators and coordinators

1 Air carriers operating or intending to operate at a schedules facilitated or coordinated airport shall submit to the schedules facilitator or coordinator respectively all relevant information requested by them. All relevant information shall be provided in the format and within the time-limit specified by the schedules facilitator or coordinator. In particular, an air carrier shall inform the coordinator, at the time of the request for allocation, whether it would benefit from the status of new entrant, in accordance with Article 2(b), in respect of requested slots.

For all other airports with no particular designation status, the managing body of the airport shall provide, when requested by a coordinator, any information in its possession about the planned services of air carriers.

2 Where an air carrier fails to provide the information referred to in paragraph 1, unless it can satisfactorily demonstrate that mitigating circumstances exist, or provides false or misleading information, the coordinator shall not take into consideration the slot request or requests by that air carrier to which the missing, false or misleading information relates. The coordinator shall give that air carrier the opportunity to submit its observations.

3 The schedules facilitator or the coordinator, the managing body of the airport and the air traffic control authorities shall exchange all the information they require for the exercise of their respective duties, including flight data and slots.]
