

Commission Regulation (EU) No 28/2012 of 11 January 2012 laying down requirements for the certification for imports into and transit through the Union of certain composite products and amending Decision 2007/275/EC and Regulation (EC) No 1162/2009 (Text with EEA relevance)

Article 1

Subject matter

This Regulation lays down rules on the certification of consignments of certain composite products introduced into the Union from third countries.

Article 2

Definitions

For the purposes of this Regulation, the definitions in Article 2 of Decision 2007/275/EC shall apply.

Article 3

Imports of certain composite products

1 Consignments of the following composite products introduced into the Union shall come from a third country or part thereof authorised for the introduction into the Union of consignments of the products of animal origin contained in those composite products and the products of animal origin used for the production of such composite products shall originate from establishments in compliance with Article 6.1(b) of Regulation (EC) No 853/2004:

- a composite products containing processed meat products, as referred to in Article 4(a) of Decision 2007/275/EC;
- b composite products containing processed milk products and covered by Article 4(b) and (c) of Decision 2007/275/EC;
- c composite products containing half or more of their substance of processed fishery or egg products and covered by Article 4(b) of Decision 2007/275/EC.

2 Consignments of composite products referred to in paragraph 1 shall be accompanied by a health certificate in accordance with the model health certificate set out in Annex I and comply with the conditions established in such certificates.

3 Consignments of composite products containing half or more of their substance of products of animal origin other than those referred to in paragraph 1 shall come from a third country or part thereof authorised for the introduction into the Union of consignments of the products of animal origin contained in those composite products and shall be accompanied at introduction into the Union by the relevant certificate laid down in Union legislation for those products of animal origin or by a commercial document where there is no certificate so required.

Article 4

Transit and storage of certain composite products

The introduction into the Union of consignments of composite products referred to in Article 3(1)(a) and (b) not intended for importation into the Union but destined for a third country either by immediate transit or after storage in the Union, in accordance with Articles 11, 12 or 13 of Council Directive 97/78/EC, shall only be authorised if the consignments comply with the following conditions:

- (a) they come from a third country or part thereof authorised for the introduction into the Union of consignments of the products of animal origin contained in those composite products and comply with the appropriate treatment conditions for such products, as provided for in Commission Decision 2007/777/EC⁽¹⁾ and Commission Regulation (EU) No 605/2010⁽²⁾ for the product of animal origin concerned;
- (b) they are accompanied by a health certificate drawn up in accordance with the model health certificate set out in Annex II;
- (c) they comply with the specific animal health requirements for the importation into the Union of the products of animal origin contained in the composite products concerned, as set out in the animal health attestation in the model health certificate referred to in point (b);
- (d) they are certified as acceptable for transit, including for storage as appropriate, on the common veterinary entry document referred to in Article 2(1) of Commission Regulation (EC) No 136/2004⁽³⁾, signed by the official veterinarian of the border inspection post of introduction into the Union.

Article 5

Derogation for transit of consignments coming from and destined to Russia

1 By way of derogation from Article 4, the transit by road or by rail through the Union, between designated border inspection posts in Latvia, Lithuania and Poland, listed in Commission Decision 2009/821/EC⁽⁴⁾, of consignments of composite products referred to Article 3 coming from and destined to Russia directly or via another third country shall be authorised provided that the following conditions are complied with:
