development strategies other than those defined in Article 2(19) of Regulation (EU) 1303/2013 addressing one or more of the <sup>F2</sup>... priorities for rural development;

- j drawing up of forest management plans or equivalent instruments;
- k diversification of farming activities into activities concerning health care, social integration, community-supported agriculture and education about the environment and food.

3 Support under point (b) of paragraph 1 shall be granted only to newly formed clusters and networks and those commencing an activity that is new to them.

Support for operations under points (a) and (b) of paragraph 2 may be granted also to individual actors where this possibility is provided for in the rural development programme.

4 The results of pilot projects under point (a) of paragraph 2 and operations under point (b) of paragraph 2 carried out by individual actors as provided for in paragraph 3 shall be disseminated.

5 The following costs, linked to the forms of co-operation referred to in paragraph 1 shall be eligible for support under this measure:

- a the cost of studies of the area concerned, of feasibility studies, and of drawing up a business plan or a forest management plan or equivalent or a local development strategy other than the one referred to in Article 33 of Regulation (EU) No 1303/2013;
- b the cost of animation of the area concerned in order to make feasible a collective territorial project or a project to be carried out by an operational group of the EIP for Agricultural Productivity and Sustainability as referred to in Article 56. In the case of clusters, animation may also concern the organisation of training, networking between members and the recruitment of new members;
- c the running costs of the co-operation;
- d the direct costs of specific projects linked to the implementation of a business plan an environmental plan, a forest management plan or equivalent, a local development strategy other than the one referred to in Article 33 of Regulation (EU) No 1303/2013 or direct costs of other actions targeted towards innovation, including testing;
- e the cost of promotion activities.

6 Where a business plan or an environmental plan or a forest management plan or equivalent or a development strategy is implemented, [<sup>F3</sup>the relevant authority] may grant the aid either as a global amount covering the costs of co-operation and the costs of the projects implemented or cover only the costs of the co- operation and use funds from other measures or [<sup>F4</sup>support under Regulation 508/2014, CMO support or direct payment support] for project implementation.

Where support is paid as a global amount and the project implemented is of a type covered under another measure of this Regulation, the relevant maximum amount or rate of support shall apply.

7 Co-operation among actors located in different regions <sup>F5</sup>... shall also be eligible for support.

8 Support shall be limited to a maximum period of seven years except for collective environmental action in duly justified cases.

[<sup>F69</sup> Co-operation under this measure may be combined with projects supported by support under Regulation 508/2014 or CMO support or direct payment support. The relevant authority
