

Commission Implementing Regulation (EU) No 809/2014 of 17 July 2014 laying down rules for the application of Regulation (EU) No 1306/2013 of the European Parliament and of the Council with regard to the integrated administration and control system, rural development measures and cross compliance

TITLE III

CHECKS

CHAPTER III

On-the-spot checks within the integrated system

Section 2

On-the-spot checks with regard to aid applications for area-related aid schemes and payment claims for area-related support measures

Article 40

Checks with remote sensing

Where a [^{F1}Member State][^{F1}relevant authority] carries out on-the-spot checks by remote sensing, the competent authority shall:

- (a) perform photo interpretation of ortho-images (satellite or aerial) of all agricultural parcels per aid application and/or payment claim to be checked with a view to recognising the land cover types, and where appropriate the crop type, and measuring the area;
- (b) [^{F2}carry out physical inspections in the field of all agricultural parcels for which photo interpretation or other relevant evidence requested by the competent authority does not make it possible to verify the accuracy of the declaration of areas to the satisfaction of the competent authority;]
- (c) carry out all checks required to verify the compliance with the eligibility criteria, commitments and other obligations of the agricultural parcels;
- (d) take alternative action to cover the area measurement in accordance with Article 38(1) of any parcels not covered by imagery.
