Information from the narrative summary of reasons for listing provided by the Sanctions Committee:

Bozize was listed on 9 May 2014 pursuant to paragraph 36 of resolution 2134 (2014) as “engaging in or providing support for acts that undermine the peace, stability or security of CAR”.

Additional information

In liaison with his supporters, Bozize encouraged the attack of 5 December 2013 on Bangui. Since then, he has continued trying to run destabilization operations in order to maintain tensions in the capital of CAR. Bozize reportedly created the anti-Balaka militia group before he fled the CAR on March 24, 2013. In a communique, Bozize called on his militia to pursue the atrocities against the current regime and the Islamists. Bozize reportedly provided financial and material support to militiamen who are working to destabilize the ongoing transition and to bring Bozize back to power. The bulk of the anti-Balaka are from the Central African Armed Forces who dispersed into the countryside after the coup d'état and were subsequently reorganized by Bozize. Bozize and his supporters control more than half the anti-Balaka units.

Forces loyal to Bozize were armed with assault rifles, mortars and rocket-launchers and they have become increasingly involved in reprisal attacks against CAR's Muslim population. The situation in CAR deteriorated rapidly after the December 5, 2013, attack in Bangui by anti-Balaka forces that left over 700 people dead.
