GENERAL PROVISIONS ON THE UNION'S EXTERNAL ACTION AND SPECIFIC PROVISIONS ON THE COMMON FOREIGN AND SECURITY POLICY

CHAPTER 1

GENERAL PROVISIONS ON THE UNION'S EXTERNAL ACTION

Article 21

1 The Union's action on the international scene shall be guided by the principles which have inspired its own creation, development and enlargement, and which it seeks to advance in the wider world: democracy, the rule of law, the universality and indivisibility of human rights and fundamental freedoms, respect for human dignity, the principles of equality and solidarity, and respect for the principles of the United Nations Charter and international law.

The Union shall seek to develop relations and build partnerships with third countries, and international, regional or global organisations which share the principles referred to in the first subparagraph. It shall promote multilateral solutions to common problems, in particular in the framework of the United Nations.

2 The Union shall define and pursue common policies and actions, and shall work for a high degree of cooperation in all fields of international relations, in order to:

- a safeguard its values, fundamental interests, security, independence and integrity;
- b consolidate and support democracy, the rule of law, human rights and the principles of international law;
- c preserve peace, prevent conflicts and strengthen international security, in accordance with the purposes and principles of the United Nations Charter, with the principles of the Helsinki Final Act and with the aims of the Charter of Paris, including those relating to external borders;
- d foster the sustainable economic, social and environmental development of developing countries, with the primary aim of eradicating poverty;
- e encourage the integration of all countries into the world economy, including through the progressive abolition of restrictions on international trade;
- f help develop international measures to preserve and improve the quality of the environment and the sustainable management of global natural resources, in order to ensure sustainable development;
- g assist populations, countries and regions confronting natural or man-made disasters; and
- h promote an international system based on stronger multilateral cooperation and good global governance.

3 The Union shall respect the principles and pursue the objectives set out in paragraphs 1 and 2 in the development and implementation of the different areas of the Union's external action covered by this Title and by Part Five of the Treaty on the Functioning of the European Union, and of the external aspects of its other policies. The Union shall ensure consistency between the different areas of its external action and between these and its other policies. The Council and the Commission, assisted by the High Representative of the Union for Foreign Affairs and Security Policy, shall ensure that consistency and shall cooperate to that effect.

Article 22

1 On the basis of the principles and objectives set out in Article 21, the European Council shall identify the strategic interests and objectives of the Union.

Decisions of the European Council on the strategic interests and objectives of the Union shall relate to the common foreign and security policy and to other areas of the external action of the Union. Such decisions may concern the relations of the Union with a specific country or region or may be thematic in approach. They shall define their duration, and the means to be made available by the Union and the Member States.

The European Council shall act unanimously on a recommendation from the Council, adopted by the latter under the arrangements laid down for each area. Decisions of the European Council shall be implemented in accordance with the procedures provided for in the Treaties.

2 The High Representative of the Union for Foreign Affairs and Security Policy, for the area of common foreign and security policy, and the Commission, for other areas of external action, may submit joint proposals to the Council.
