PART II

ALTERNATIVE TO ANTI-FRANKING RULES

Cases in which alternative applies

12.—(1) Subject to the following provisions of this paragraph, this Part applies, instead of Chapter III of Part IV of the Pension Schemes Act (anti-franking rules), in the case of a person (the pensioner) who is entitled to benefits under any occupational pension scheme if the benefits to which he is entitled under the scheme include a guaranteed minimum pension.

(2) This Part does not apply in the pensioner's case, instead of Chapter III of Part IV of the Pension Schemes Act, unless—

Status: Point in time view as at 06/04/2012.

Changes to legislation: Child Support, Pensions and Social Security Act (Northern Ireland) 2000 is up to date with all changes known to be in force on or before 10 August 2024. - (a) the pensioner is a member of the scheme who, in relation to that scheme, left pensionable service after the coming into operation of this Part;
 - (b) the pensioner is the widow or widower of a member of the scheme whose pensionable service ended (by death or otherwise) after the coming into operation of this Part; or
 - (c) sub-paragraph (3) applies to the benefits to which the pensioner is entitled under the scheme.
- (3) This sub-paragraph applies to the benefits to which the pensioner is entitled under the scheme if—
- (a) the time at which the benefits first become payable is after the coming into operation of this Part;
 - (b) the benefits do not first become payable in respect of the death of a member of the scheme to whom benefits had already become payable under the scheme before the coming into operation of this Part; and
 - (c) the trustees or managers of the scheme have elected, in the prescribed manner, that this Part should apply to benefits first becoming payable under the scheme after the coming into operation of this Part.
- (4) This Part does not apply in the pensioner's case (and, accordingly, Chapter III of Part IV of the Pension Schemes Act does) if the scheme is a scheme of a prescribed description, unless the trustees or managers of the scheme have elected, in the prescribed manner, that this Part should apply in the case of the scheme.
- (5) An election for the purposes of any provision of this paragraph—
- (a) shall not be exercisable differently in relation to different members of the scheme; and
 - (b) once exercised, shall be irrevocable.

Alternative rules

13.—(1) Where this Part applies in the pensioner's case, the amount of the benefits to which he is entitled under the scheme shall not be less than the amount of the benefits to which he would have been entitled under the scheme if his entitlement fell to be calculated by the method set out in sub-paragraph (2).

(2) That method is as follows—

Step 1: compute the amount of any benefits consisting in the guaranteed minimum pension to which the pensioner is entitled;

Step 2: compute what would have been the amount of those benefits on the assumptions set out in sub-paragraph (3);

Step 3: determine the extent (if any) to which attributing an amount of benefits equal to the amount computed in accordance with Step 2 to rights accruing before 6th April 1997 would leave any such rights unused;

Status: Point in time view as at 06/04/2012.

Changes to legislation: Child Support, Pensions and Social Security Act (Northern Ireland) 2000 is up to date with all changes known to be in force on or before 10 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Step 4: compute, in accordance with sub-paragraph (4), the amount of such of the benefits to which the pensioner is entitled under the scheme as are attributable to rights accruing before 6th April 1997 (if any) which, applying the determination in Step 3, would be left unused after the attribution of the amount mentioned in that Step to rights so accruing;

Step 5: compute the amount resulting, on the required assumption, from the application of the statutory revaluations and increases in the case of the benefits computed in accordance with Step 4;

Step 6: compute, in accordance with sub-paragraph (4), the amount of such of the benefits to which the pensioner is entitled under the scheme as are attributable to rights accruing on or after 6th April 1997;

Step 7: compute the amount resulting, on the required assumption, from the application of the statutory revaluations and increases in the case of the benefits computed in accordance with Step 6;

Step 8: aggregate the results of Steps 1, 5 and 7 to give the minimum benefits required by sub-paragraph (1).

- (3) The assumptions referred to in Step 2 in sub-paragraph (2) are—
- (a) that no increases are required to be made in accordance with section 11 or 105 of the Pension Schemes Act (deferment increases and indexation);
 - (b) that increases in accordance with section 12(1) of that Act (revaluation of earnings factors for early leavers) of any earner's earnings factors are to be calculated as if references to the final relevant year were references to whichever is the earlier of—
 - (i) the final relevant tax year, and
 - (ii) the tax year immediately preceding that in which the member in question left service that qualified him for salary-related benefits under the scheme; and
 - (c) that no increases in accordance with any provision included in the scheme by virtue of section 12(3) of that Act (increases of weekly equivalent for person leaving contracted-out service before final relevant year) are to be made for any year after the tax year immediately preceding that in which the member in question left service that qualified him for salary-related benefits under the scheme.
- (4) For the purposes of Steps 4 and 6 in sub-paragraph (2)—
- (a) if (apart from this sub-paragraph) there would be a difference between the two Steps in the level of salary taken as the level by reference to which any salary-related benefits are to be computed, the level used for Step 4 shall be no lower than that used for Step 6; and
 - (b) statutory revaluations and increases shall not be attributed to rights accruing at any time.

Status: Point in time view as at 06/04/2012.

Changes to legislation: Child Support, Pensions and Social Security Act (Northern Ireland) 2000 is up to date with all changes known to be in force on or before 10 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(5) For the purposes of Steps 5 and 7 in sub-paragraph (2), the required assumption is that the benefits in whose case the statutory revaluations and increases are applied comprise a whole pension deriving from the rights to which they are taken to be attributable for the purposes of Step 4 or, as the case may be, Step 6.

(6) Subject to sub-paragraph (7), references in this paragraph to the statutory revaluations and increases are references to—

- (a) the revaluations required to be made in accordance with Chapter II of Part IV of the Pension Schemes Act (revaluation of accrued benefits); and
- (b) the increases required to be made by virtue of Article 51 of the Pensions Order (indexation).

(7) For the purposes of applying the statutory revaluations and increases for the purposes of Steps 5 and 7 in sub-paragraph (2)—

- (a) money may be used in a way allowed by section 106(1) of the Pension Schemes Act (use of money to pay guaranteed minimum pension increase for subsequent year); and
- (b) any deductions authorised by Article 53(1) or (2) of the Pensions Order (permitted deductions from statutory increases) may be made.

(8) In this paragraph the pensioner has the meaning given by paragraph 12.

(9) Any reference in this paragraph to a provision of the Pension Schemes Act includes a reference to any statutory provision re-enacted in that provision.

Relationship between alternative rules and other rules

14.—(1) Paragraph 13 shall not apply to benefits consisting in an alternative to a short service benefit provided for under section 69(2)(b) of the Pension Schemes Act, except to the extent that—

- (a) that paragraph would apply for the computation of the short service benefit to which those benefits are an alternative; and
- (b) the amount of any of the alternative benefits falls to be computed wholly or partly by reference to the value of what would have been the short service benefit.

(2) Section 90 of the Pension Schemes Act (right to cash equivalent) shall have effect as if the provisions of this Part were included for the purposes of that section in the applicable rules.

(3) Subject to sub-paragraph (4), the preceding provisions of this Part override any provision of an occupational pension scheme with which they are inconsistent except a provision which, under subsection (3) of section 125 of the Pension Schemes Act, is a protected provision for the purposes of subsection (2) of that section.

Status: Point in time view as at 06/04/2012.

Changes to legislation: Child Support, Pensions and Social Security Act (Northern Ireland) 2000 is up to date with all changes known to be in force on or before 10 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(4) The preceding provisions of this Part shall be without prejudice to any person's entitlement to exercise—

- (a) any right of commutation, forfeiture or surrender of the whole or any part of any benefits computed in accordance with this Part;
- (b) any charge or lien on the whole or any part of any such benefits; or
- (c) any right of set-off against the whole or any part of any such benefits,

and, accordingly, the computations to be done under paragraph 13 shall be done disregarding anything falling within any of heads (a) to (c).

Supplemental

15.—(1) In this Part references to rights accruing to a member of a scheme before 6th April 1997 include references—

- (a) in relation to salary-related benefits, to rights accruing at any time in respect of service before that date; and
- (b) in relation to benefits of any description, to rights that derive from any transfer of accrued rights or transfer payment and represent rights accruing under any other scheme before that date;

and a reference in this Part to rights accruing on or after that date shall be construed accordingly.

(2) For the purposes of this Part rights to money purchase benefits that are attributable to payments in respect of employment are rights accruing before 6th April 1997 in so far only as that employment was employment carried on before that date; and a reference in this Part to rights accruing on or after that date shall be construed accordingly.

(3) In this Part salary-related benefits means benefits that are not money purchase benefits.

(4) Expressions defined for the purposes of the Pension Schemes Act have the same meanings in this Part as they have in that Act.

(5) Regulations made by the Department under this Part shall be subject to negative resolution.

(6) The Department may by order make such modifications of paragraphs 12 to 14 as it considers appropriate.

(7) An order under sub-paragraph (6) shall be subject to negative resolution.

(8) Section 177(2) to (4) and (6) of the Pension Schemes Act (orders and regulations (general provisions)) shall apply—

- (a) to any power of the Department to make regulations under this Part, and
- (b) to the power of the Department to make an order under sub-paragraph (6),

as it applies to its powers to make regulations and orders under that Act.
