

2014 CHAPTER 9

Revocation, suspension and compulsory variation

Compulsory variation of section 6(3) conditions

16.—(1) A council may at any time vary a pavement café licence by—

- (a) varying the conditions (if any) specified in the licence under section 6(3);
- or
- (b) specifying new conditions under section 6(3).

(2) But a council may make a variation under this section only if it considers that it ought to do so as a result of a material change in the circumstances on which the conditions specified in the licence under section 6(3) were based (or on the basis of which a particular condition was not so specified).
