

2015 CHAPTER 8

PART 5

DISPUTE REFERRAL

PROSPECTIVE

Procedure etc.

66.—(1) Regulations by the Department may make provision as to—

- (a) the time within which a referee may be commissioned under section 63,
- (b) the time within which a request to the Institution of Civil Engineers for the commissioning of a referee under that section may be made,
- (c) the procedure (including the manner) of the request,
- (d) the procedure in a referral before a referee,
- (e) the costs of the investigation and proceedings (including the remuneration of the referee).

(2) Subject to the provisions of regulations under subsection (1), the costs of any investigation and proceedings (including the remuneration of the referee) are to be paid by the reservoir manager who makes the referral.

Status:

This version of this provision is prospective.

Changes to legislation:

There are currently no known outstanding effects for the Reservoirs Act (Northern Ireland) 2015, Section 66.
