 - (ii) an appeal against the making or refusal of an alteration in [^{F11}a valuation list] or an application for the review of such an alteration.

(3) A rate for any year shall be leviable notwithstanding that notice has been served of an appeal under this Article against the rate, except that, after such notice has been served by any person on the Department and until the appeal has been determined or abandoned, no proceedings shall be commenced or carried on to recover from that person any sum greater than—

- (a) the amount leviable by way of rates for the immediately preceding year in respect of the hereditament to which the appeal relates; or

(6) Where on an appeal under this Article the court orders a district rate to be quashed, the court may order that any sum charged on any person by that rate, or any part of a sum so charged, shall not be paid; and after the making of such an order no proceedings shall be commenced or continued for the purpose of levying that sum or part; but no person shall be liable to any action for any thing done by him for the purpose of levying any sum before he had notice of any order under this paragraph providing for that sum not to be paid.
