**PART II**

**DISCIPLINE**

**Responsibility of Board of Governors and principal for discipline**

**3.—**(1) The scheme of management for every grant-aided school shall provide for it to be the duty of the Board of Governors to ensure that policies designed to promote good behaviour and discipline on the part of its pupils are pursued at the school.

(2) In particular the scheme of management shall require the Board of Governors—

- (a) to make, and from time to time review, a written statement of general principles to which the principal is to have regard in determining any measures under paragraph (3)(a);
- (b) before making or revising that statement—
  - (i) to consult (in such manner as appears to it to be appropriate) the principal and the parents of registered pupils at the school; and
  - (ii) to consider any guidance given by the Department, the board for the area in which the school is situated and (in the case of a Catholic maintained school) the Council for Catholic Maintained Schools; and
- (c) where it considers it desirable that any particular measures should be determined by the principal under paragraph (3)(a) or that he should have regard to any particular matters—
  - (i) to notify him of those measures or matters; and
  - (ii) to give him such guidance as it considers appropriate.

(3) The scheme of management for every grant-aided school shall provide for it to be the duty of the principal—

- (a) to determine measures (which may include the making of rules and provision for enforcing them) to be taken with a view to—
  - (i) promoting, among pupils, self-discipline and proper regard for authority;
  - (ii) encouraging good behaviour and respect for others on the part of pupils;
  - (iii) securing that the standard of behaviour of pupils is acceptable; and
  - (iv) otherwise regulating the conduct of pupils;
- (b) in determining such measures—
  - (i) to act in accordance with the current statement made by the Board of Governors under paragraph (2)(a); and
  - (ii) to have regard to any notification or guidance given to him under paragraph (2)(c);
- (c) to prepare a written statement of such measures and to secure that—

- (i) a copy of that statement is given (free of charge) to the parents of all registered pupils at the school; and
- (ii) copies of the statement are available for inspection (at all reasonable times and free of charge) at the school.

(4) The scheme of management for every grant-aided school shall provide for the standard of behaviour which is to be regarded as acceptable at the school to be determined by the principal so far as it is not determined by the Board of Governors.

(5) This Article does not apply to a school established in a hospital.

#### **Power of member of staff to restrain pupils**

4.—(1) A member of the staff of a grant-aided school may use, in relation to any pupil at the school, such force as is reasonable in the circumstances for the purpose of preventing the pupil from doing (or continuing to do) any of the following, namely—

- (a) committing any offence;
- (b) causing personal injury to, or damage to the property of, any person (including the pupil himself); or
- (c) engaging in any behaviour prejudicial to the maintenance of good order and discipline at the school or among any of its pupils, whether that behaviour occurs during a teaching session or otherwise.

(2) Paragraph (1) applies where a member of the staff of a grant-aided school is—

- (a) on the premises of the school; or
- (b) elsewhere at a time when, as a member of its staff, he has lawful control or charge of the pupil concerned; but it does not authorise anything to be done in relation to a pupil which constitutes the giving of corporal punishment within the meaning of Article 49A of the 1986 Order.

(3) Paragraph (1) shall not be taken to prevent any person from relying on any defence available to him otherwise than by virtue of this Article.

(4) In this Article—

“member of the staff”, in relation to a grant-aided school, means any teacher who works at the school and any other person who, with the authority of the principal, has lawful control or charge of pupils at the school;

“offence” includes anything that would be an offence but for the operation of any presumption that a person under a particular age is incapable of committing an offence.

#### **Detention of pupil outside school hours**

5.—(1) Where a pupil to whom this Article applies is required on disciplinary grounds to spend a period of time in detention at his school after the end of any school session, his detention shall not be rendered unlawful by virtue of the absence of his parent’s consent to it if the conditions set out in paragraph (3) are satisfied.

(2) This Article applies to any pupil who—

- (a) is attending a grant-aided school; and
- (b) has not attained the age of 18.

(3) The conditions referred to in paragraph (1) are as follows—

- (a) the principal of the school must have previously determined, and have—

- (i) generally made known within the school; and
  - (ii) taken steps to bring to the attention of the parent of every person who is for the time being a pupil there, that the detention of pupils after the end of a school session is one of the measures that may be taken with a view to regulating the conduct of pupils;
  - (b) the detention must be imposed by the principal or by another teacher at the school specifically or generally authorised by him for the purpose;
  - (c) the detention must be reasonable in all the circumstances; and
  - (d) the pupil's parent must have been given at least 24 hours' notice in writing that the detention was due to take place.
- (4) In determining for the purpose of paragraph (3)(c) whether a pupil's detention is reasonable, the following matters in particular shall be taken into account—
- (a) whether the detention constitutes a proportionate punishment in the circumstances of the case; and
  - (b) any special circumstances relevant to its imposition on the pupil which are known to the person imposing it (or of which he ought reasonably to be aware) including in particular—
    - (i) the pupil's age;
    - (ii) any special educational needs he may have;
    - (iii) any religious requirements affecting him; and
    - (iv) where arrangements have to be made for him to travel from the school to his home, whether suitable alternative arrangements can reasonably be made by his parent.
- (5) Without prejudice to section 18 of the Interpretation Act (Northern Ireland) 1954 (which provides for the methods by which documents may be served) notice under this Article may be given to a pupil's parent by any other effective method.
