Animal By-Products Regulations (Northern Ireland) 2003

PART V

**PLACING ANIMAL BY-PRODUCTS AND
PROCESSED PRODUCTS ON THE MARKET**

Placing on the market of processed animal protein and other processed products that could be used as feed material

22. A person who places on the market processed animal protein, or other processed products that could be used as feed material, which do not meet the requirements of Article 19 of the Community Regulation shall be guilty of an offence.

Placing on the market of petfood, dogchews and technical products

23.—(1) A person who places on the market petfood, dogchews and technical products (other than fat derivatives produced from Category 2 material) or those animal by-products referred to in Annex VIII to that Regulation, which do not meet the requirements of Article 20(1) of the Community Regulation shall be guilty of an offence.

(2) A person who places on the market fat derivatives produced from Category 2 material which do not meet the requirements of Article 20(3) of the Community Regulation shall be guilty of an offence.

Placing on the market of compost or digestion residues for use on agricultural land

24. A person who places on the market compost or digestion residues for use on agricultural land shall ensure that it is labelled or accompanied by documentation in such a way that the recipient has his attention drawn to the requirements of regulation 11 (provisions relating to pasture land) and if he fails to do so he shall be guilty of an offence.
