(This note is not part of the Regulations)

These Regulations amend the Dogs (Licensing and Identification) Regulations (Northern Ireland) 1983 by setting out, for the period 1st January 2006 up to and including 31st December 2009, the shape, dimensions and colour of licence identification discs issued by district councils.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

While the shape and dimensions of the disc remain unchanged throughout the period, its colour varies each year so that it must be blue where a dog licence or block licence is issued in 2006, orange where such a licence is issued in 2007, green where such a licence is issued in 2008, and yellow where such a licence is issued in 2009.

The Regulations revoke the Dogs (Licensing and Identification) (Amendment) Regulations (Northern Ireland) 2001.
