“type 3 teacher training student” means a current system student on a course for a first degree for the initial training of teachers whose periods of full-time attendance (including attendance for the purpose of teaching practice) in the academic year in respect of which the student is applying for support are in aggregate at least 6 weeks but less than 10 weeks;

(2) The Department may determine that a course is a compressed degree course if, in its opinion that course is—

- (a) a course for a first degree (other than a foundation degree);
- (b) a full-time course designated under regulation 6(1); and
- (c) of two academic years’ duration.

(3) Subject to paragraph (4), “eligible student” has the meaning given in regulation 5.

(4) For the purposes of the college fee loan, references to an eligible student in regulations 7, 8, 9 and 89 and Schedule 4 include a person treated as an eligible student by virtue of regulation 82.

(5) The Department may determine that a qualification is an equivalent or lower qualification if—

- (a) an eligible student holds a higher education qualification from any institution whether or not in the United Kingdom; and
- (b) the qualification referred to in sub-paragraph (a) is of an academic level which is equivalent to or higher than a qualification to which the current course leads.

(6) In these Regulations, a person is a “gap year student” in relation to a course provided by or on behalf of an institution that was publicly funded as at 1st August 2005 if the person meets the conditions in paragraph (7) or (9).

(7) The conditions are—

- (a) the person had on or before 1st August 2005 received an offer, whether conditional on obtaining specified qualifications or not, of a place on the current course or a similar course; and
- (b) the first academic year of the current course began on or after 1st September 2006 but before 1st September 2007.

(8) In paragraph (7), a course (the “original course”) is similar to the current course if—

- (a) it appears to the academic authority of the institution providing the current course that the subject-matter of the course is in whole or in part the same as the subject-matter of the original course; and
- (b) except where the original course is no longer being provided, the current course is provided by the institution which was to have provided the original course.

(9) The conditions are—

- (a) the person had received an offer of a place on a designated course (whether or not at the same institution as the current course) the first academic year of which began before 1st September 2006;
- (b) the person was unable to take up the offer because a specified qualification or grade was not awarded to them;
- (c) the person appealed against the decision not to award them the qualification or grade;
- (d) the appeal was allowed after the last date on which they could have taken up the offer;
- (e) as a result, the person was offered a place on the current course; and

(10) In these Regulations—

- (a) a course is a “sandwich course” if—
 - (i) it is not a course for the initial training of teachers;
 - (ii) it consists of alternate periods of full-time study in an institution and periods of work experience; and
 - (iii) taking the course as a whole, the student attends the periods of full-time study for an average of not less than 18 weeks in each year;
- (b) in calculating the student’s attendance for the purposes of sub-paragraph (a), the course is to be treated as beginning with the first period of full-time study and ending with the last such period; and
- (c) for the purposes of sub-paragraph (a), where periods of full-time study and work experience alternate within any week of the course, the days of full-time study are aggregated with each other and with any weeks of full-time study in determining the number of weeks of full-time study in each year.

(11) In these Regulations, the “specified designated course” means the current course subject to paragraphs (12) and (13).

(12) Where the student’s status as an eligible student has been transferred to the current course as a result of one or more transfers of that status by the Department from a course (the “initial course”) in connection with which the Department determined the student to be an eligible student pursuant to regulations made by the Department under Article 3 of the Order, the specified designated course is the initial course.

(13) Where the current course is an end-on course, the specified designated course is the course in relation to which the current course is an end-on course (the “preceding course”). FEE LOANS FOR CURRENT SYSTEM STUDENTS

Availability of fee loans to current system students - general **N.I.**

20.—(1) A current system student does not qualify for a fee loan in respect of a designated course if—

- (b) the student has an honours degree from an institution in the United Kingdom, the exemption in regulation 14(1), (2) or (5) does not apply and the student began the course before 1st September 2009; or
- (c) he has an honours degree from an institution in the Republic of Ireland for which he received financial support under previous regulations and the exemption in regulation 14(1), (2) or (5) does not apply; or
- (d) the designated course is an old flexible postgraduate course for the initial training of teachers.

(2) Notwithstanding paragraph (1)(b) and (c), a current system student qualifies for fee support in respect of a course leading to a degree in social work at an educational institution in Northern Ireland.

(3) A current system student does not qualify for a fee loan in respect of—

- (a) an academic year of a designated course that is a bursary year or an Erasmus year; or
- (b) a year for which he is in receipt of funding from the Department to participate in a management development programme known as the Business Education Initiative.

(4) When assessing an application for support in respect of an academic year of a designated course, the Department must determine the “standard entitlement”.

(5) The standard entitlement is calculated in accordance with regulation 21, 22, 23 or 24.

(6) When assessing an application for support in respect of an academic year of a designated course, the Department must allocate a fee loan from the standard entitlement first to the final standard academic year of the course and then to each preceding standard academic year in turn until the standard entitlement is exhausted or a fee loan has been allocated to each standard academic year of the course.

(7) A current system student qualifies for a fee loan in respect of a standard academic year of the designated course if the Department allocates a fee loan to that year when assessing the application for support for that year.

(8) In addition to the standard entitlement, a current system student who falls within regulation 23 qualifies for a fee loan in respect of the first academic year that the student takes of the designated course that is not a bursary year or an Erasmus year if the student failed to complete the most recent previous course because of compelling personal reasons.

(9) Where a current system student qualifies for a fee loan under paragraph (8), the Department must not allocate a fee loan under paragraph (6) to the first academic year that the student takes of the designated course that is not a bursary year or an Erasmus year.

(10) In addition to the standard entitlement, if the Department determines that the student is repeating an academic year of the designated course because of compelling personal reasons, a current system student qualifies for a fee loan in respect of the year of repeat study provided that the academic year that the student is repeating was a qualifying year of study and the year of repeat study is not a bursary year.

(11) A current system student qualifies for a fee loan in respect of an academic year of a designated course that is a year of repeat study which the student is taking other than for compelling personal reasons if—

- (a) the academic year which the student is repeating was a qualifying year of study;
- (b) the academic year of repeat study is not a bursary year; and
- (c) when the academic year of repeat study is added to the number of any other academic years of repeat study that the student has already taken on the current course other than for compelling personal reasons, it does not exceed the number of additional years of support.

(12) In this regulation, the “number of additional years of support” is the number of years which make up the standard entitlement less the number of standard academic years (plus one where the student qualifies for a fee loan under paragraph (8)).

(13) The amount of the fee loan in respect of an academic year is determined in accordance with regulation 25 and may be nil.

CHAPTER 3 **N.I.**

PAYMENT OF GRANTS FOR LIVING AND OTHER COSTS

Payment of grants for living and other costs **N.I.**

- 98.**—(1) The Department may pay support under Part 5 in instalments.
- (2) Subject to paragraph (3), the Department may pay support under Part 5 at such times as the Department considers appropriate.
- (3) An academic authority is required to send an attendance confirmation to the Department.
- (4) The Department must not pay the first instalment or, where it has been determined not to pay support under Part 5 by instalments, make any payment of support under that Part to the eligible student before the Department has received the attendance confirmation unless an exception applies.
- (5) An exception applies if—
- (a) a disabled students' allowance is payable in which case that particular grant may be paid before the Department has received an attendance confirmation; or
 - (b) the Department has determined that owing to exceptional circumstances it would be appropriate to make a payment without receiving an attendance confirmation.
- (6) Payments of support under Part 5 are to be made in such manner as the Department considers appropriate and the Department may make it a condition of entitlement to payment that the eligible student must provide the Department with particulars of a bank or building society account in the United Kingdom into which payments may be made by electronic transfer.
- (7) Where a final assessment cannot be made on the basis of the information provided by the student, the Department may make a provisional assessment and payment of support under Part 5.
- (8) Subject to paragraph (9), no support under Part 5 is due in respect of any day of an academic year on which the eligible student is a prisoner, unless in the opinion of the Department it would be appropriate in all the circumstances for support to be paid in respect of that day.
- (9) Paragraph (8) does not apply in respect of disabled student's allowance.

(10) In deciding whether it would be appropriate for support to be due under paragraph (8) the circumstances to which the Department must have regard include the financial hardship not paying the support would cause and whether not paying the support would affect the student's ability to continue the course.

(11) No support under Part 5 in respect of the current course is due in respect of any payment period beginning after an eligible student's period of eligibility terminates.

(12) Where an eligible student's period of eligibility terminates on or after the relevant date, the Department must determine—

- (a) the amount of each grant for living and other costs for which the student qualifies that would be payable in respect of the relevant payment period if the eligible student's period of eligibility had not terminated (the "full amount"); and
- (b) how much of the full amount is due in respect of the period which runs from the first day of the relevant payment period up to and including the day on which the eligible student's period of eligibility terminated (the "partial amount").

(13) In this regulation, the "relevant date" is the date on which the first term of the academic year in question actually begins.

(14) If the Department has made a payment of grant for living and other costs in respect of the relevant payment period before the point in that period at which the eligible student's period of eligibility terminated and that payment exceeds the partial amount of that grant—

- (a) the Department may treat the excess as an overpayment of that grant; or
- (b) if the Department considers that it is appropriate to do so the Department may extend the student's period of eligibility in respect of that grant until the end of the relevant payment period and determine that the full amount of that grant is due in respect of that payment period.

(15) Subject to paragraph (16), if a payment of a grant for living and other costs in respect of the relevant payment period is due to be made or is made after the eligible student's period of eligibility has terminated, the amount of that grant due is the partial amount unless the Department considers it appropriate to extend the period of eligibility in respect of that grant until the end of the relevant payment period and to determine that the full amount of that grant is due in respect of that payment period.

(16) Paragraph (15) does not apply to a payment of the disabled students' allowance in respect of specialist equipment.

(17) No support under Part 5 is due in respect of a payment period during any part of which an eligible student is absent from the course, unless in the opinion of the Department it would be appropriate in all the circumstances for support to be paid in respect of the period of absence.

(18) In deciding whether it would be appropriate for support to be due under paragraph (17) the circumstances to which the Department must have regard include the reasons for the student's absence, the length of the absence and the financial hardship which not paying the support would cause.

(19) An eligible student is not to be considered absent from the course if the student is unable to attend due to illness and the student's absence has not exceeded 60 days.

(20) Where, after the Department has made any payment of support under Part 5 or Part 6, the Department makes a determination of the amount of a grant for living and other costs for which the student qualifies either for the first time or by way of revision of a provisional or other determination of that amount—

- (a) if the determination increases the amount of that grant for which the student qualifies the Department must pay the additional amount in such instalments (if any) and at such times as the Department considers appropriate;

Status: Point in time view as at 12/03/2009.

Changes to legislation: The Education (Student Support) Regulations (Northern Ireland) 2009 is up to date with all changes known to be in force on or before 19 August 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) if the determination decreases the amount of that grant for which the student qualifies the Department must subtract the amount of the decrease from the amount of that grant which remains to be paid;
- (c) if the amount of the decrease is greater than the amount of that grant remaining to be paid the latter amount is reduced to nil and the balance subtracted from any other bursary or grant for living and other costs for which the student qualifies in respect of the academic year;
- (d) any remaining overpayment is recoverable in accordance with Chapter 5 of this Part.
