
STATUTORY RULES OF NORTHERN IRELAND

2009 No. 388

The Seeds (Registration, Licensing and
Enforcement) Regulations (Northern Ireland) 2009

PART 3

Licensed crop inspectors

Applications for licences

10.—(1) An individual may apply to the Department for a licence authorising him to inspect crops grown to produce seed of any one or more of the species and categories listed in Part 1 of Schedule 2.

(2) An application made under paragraph (1) shall be in such form and manner as the Department may require and be accompanied by such information as the Department may reasonably require.
