Retirement benefits

CHAPTER 1

Interpretation

**Application of Part**

**65.** This Part applies in relation to retirement benefits payable in respect of a continuous period of pensionable service under this scheme.

**Qualifying service**

**66.—(1)** In these Regulations, “qualifying service” in relation to a member's pension account, means the total of—

- (a) any pensionable service under this scheme in relation to the same pension account;
- (b) if a transfer value payment has been accepted under Part 10 (transfers) in respect of a member's accrued rights under another occupational pension scheme, the member's period of pensionable service under that scheme; and
- (c) for a transition member with continuity of service, subject to paragraphs (2), (3), (4) and (5), the member's pensionable service reckonable under article 45 (reckoning of and certificates as to pensionable service) of the FPS (if any) and the member's qualifying service under the NFPS (if any).

(2) Where a transition member has more than one active member's account, and was a member of the FPS, the pensionable service reckonable under article 45 of the FPS must be added to the pensionable service for the active member's account in respect of which the scheme employment is the most similar to the employment which was pensionable under the FPS.

(3) Where a transition member has more active member's accounts than the number of contracts of employment in respect of which that member was a member of the NFPS, the qualifying service under the NFPS must be added to the pensionable service for the active member's account in respect of which the scheme employment is most similar to the employment which was pensionable under the NFPS.

(4) Where a transition member was a member of the FPS and the NFPS or had two or more contracts of employment in respect of which that member was a member of the NFPS, the pensionable service reckonable under article 45 of the FPS or the qualifying service under the NFPS, as the case may be, must be added to the pensionable service for the active member's account in

respect of which the scheme employment is most similar to the employment which was pensionable under the FPS or the NFPS.

(5) If the scheme manager is not certain which service pensionable under the FPS or qualifying service under the NFPS is the most similar to the scheme employment for a particular pension account, the member may decide which pensionable service under the FPS or qualifying service under the NFPS is to be added to the pensionable service in relation to a member's pension account and notify the scheme manager by written notice, in a form required by the scheme manager.

(6) None of the following counts as qualifying service—

- (a) any pensionable service under this scheme in respect of which a person's rights under this scheme are extinguished;
- (b) any pensionable service under the FPS or the NFPS in respect of which a person's rights under that scheme are extinguished;
- (c) any unauthorised absence from scheme employment.

## CHAPTER 2

### Retirement benefits

#### Entitlement to retirement pension

**67.**—(1) Subject to paragraph (2), a member of this scheme (P) is entitled to the immediate payment of a retirement earned pension under this scheme if—

- (a) P—
  - (i) has reached the age of 55,
  - (ii) has at least three months qualifying service,
  - (iii) has claimed payment of a retirement pension,
  - (iv) is no longer employed in a scheme employment and so is not entitled to be an active member of this scheme; or
- (b) P has exercised the partial retirement option.

(2) Where a member is entitled to an ill-health award, the requirement in paragraph (1)(a)(i) does not apply to that member.

(3) On becoming entitled to the immediate payment of a retirement earned pension, P is entitled to immediate payment of a retirement added pension if P had an added pension account in this scheme before becoming so entitled.

(4) The claim for payment of a retirement pension must be made by notice to the scheme manager in a form required by the scheme manager and must be given before the date on which the first payment of the retirement pension is paid.

#### Annual rate of retirement pension (active members)

**68.**—(1) This regulation applies when an active member of this scheme becomes entitled to the immediate payment of a retirement pension.

(2) The annual rate of a retirement pension payable on the day following the last day of pensionable service to a member to whom this regulation applies is calculated by adding the total of [F1 paragraphs (a), (b), (ba) and (c)] —

- (a) the sum of—
  - (i) the amount of retirement earned pension specified in the member's retirement account,

- (ii) subtracting the commutation amount (if any) specified in that account in relation to that amount,
  - (iii) subtracting the total allocation amount (if any) specified in that account in relation to that amount; and
- (b) the sum of—
- (i) the amount of retirement added pension (if any) specified in the member's retirement account,
  - (ii) subtracting the commutation amount (if any) specified in that account in relation to that amount,
  - (iii) subtracting the total allocation amount (if any) specified in that account in relation to that amount; and
- [<sup>F2</sup>(ba) the sum of—
- (i) the equivalent amount to the NFPS lower tier ill-health pension (if any) or the equivalent amount to the FPS lower tier ill-health pension (if any) specified in the member's retirement account,
  - (ii) subtracting the commutation amount (if any) specified in that account in relation to that amount; and]
- (c) the amount of the higher tier ill-health pension (if any) awarded to the member under regulation 73(2) (entitlement to lower tier ill-health pension and higher tier ill-health pension).

#### Annual rate of retirement pension (deferred members)

**69.**—(1) This regulation applies when a deferred member of this scheme becomes entitled to the immediate payment of a retirement pension.

(2) The annual rate of a retirement pension payable to a member to whom this regulation applies is calculated by subtracting from the retirement amount of deferred pension specified in the deferred member's account—

- (a) the commutation amount (if any) specified in that account in relation to that amount;
- (b) the total allocation amount (if any) specified in that account in relation to that amount.

#### Employer initiated retirement

**70.**—(1) Where an active member who has attained the age of 55 (normal pension age) is dismissed from a scheme employment by reason of business efficiency or whose employment is terminated by mutual consent on the grounds of business efficiency and the Board makes the determination in paragraph (2), that member's pension is calculated in accordance with regulation 68 (annual rate of retirement pension (active members)).

(2) The Board may only pay a retirement pension of the amount mentioned in paragraph (1) in the circumstances mentioned in that paragraph where it determines that a retirement pension awarded on that basis would assist the economical, effective and efficient management of its functions having taken account of the costs likely to be incurred in the particular case.

[<sup>F3</sup>(3) Where an employer is considering making the determination in paragraph (2) in respect of an active member who is a connected member of the NFPS, or a connected special member of the NFPS, in relation to that active member's pension account, the employer must also consider making a determination under article 16 (pension on Board-initiated early retirement) of Part 3 of the NFPS.]

## CHAPTER 3

### Partial retirement benefits

#### Exercise of partial retirement option

**71.—**(1) This regulation applies to an active member of this scheme (P) in relation to a continuous period of pensionable service who—

- (a) is aged at least 55; and
- (b) would be entitled to the immediate payment of a retirement pension in relation to that period of service if P left pensionable service and claimed payment of the pension.

(2) P may opt to continue in pensionable service under this scheme but claim payment of the whole of P's accrued pension in relation to the pensionable service rendered before the exercise of the partial retirement option.

(3) Where P has more than one active member's account, the partial retirement option may be exercised in respect of some or all of P's active member's accounts.

(4) The partial retirement option may only be exercised by notice to the scheme manager ("option notice") in a form required by the scheme manager and must be given before the date on which the first payment of the retirement pension is claimed.

(5) For the purpose of these Regulations, the partial retirement option is taken to be exercised on such date as the member and the scheme manager agree.

(6) An option notice must specify that P claims the whole of P's pension accrued in respect of P's active member's account in respect of the earlier service of that scheme employment.

#### Annual rate of retirement pension after exercise of partial retirement option

**72.—**(1) An active member of this scheme (P) who exercises the partial retirement option is entitled to the immediate payment of a retirement pension.

(2) The annual rate of a retirement pension is calculated under regulation 68 (annual rate of retirement pension (active members)) by reference to the amount of that description of retirement earned pension and retirement added pension (if any) specified in the member's retirement account.

(3) For the purposes of this Part, where a member exercises the partial retirement option that member's last day of pensionable service in relation to the pensionable service in respect of which the partial retirement option is exercised is the day on which the member exercised the partial retirement option.

## CHAPTER 4

### Ill-health benefits

#### **Entitlement to lower tier ill-health pension and higher tier ill-health pension**

73.—(1) An active member who has not reached normal pension age of 55 is entitled to immediate payment of a lower tier ill-health pension if the following conditions are met—

- (a) in the opinion of the IQMP the member is incapable of performing any duties of the role in which the member was last employed because of incapacity of mind or body and this incapacity will continue until normal pension age;
- (b) the member has three months of qualifying service;
- (c) consequent on the incapacity in sub-paragraph (a), the member has been dismissed or retired from scheme employment; and
- (d) the scheme manager has determined that the member is entitled to a lower tier ill-health pension.

(2) An active member is entitled to immediate payment of a higher tier ill-health pension in addition to the lower tier ill-health pension if the following conditions are met—

- (a) in the opinion of the IQMP the member is incapable of undertaking regular employment because of incapacity of mind or body and this incapacity will continue until normal pension age;
- (b) the member has at least five years of qualifying service;
- (c) the member is entitled to a lower tier ill-health pension; and
- (d) the scheme manager has determined that the member is entitled to a higher tier ill-health pension.

(3) In these Regulations, an ill-health award means the entitlement to the payment of a lower tier ill-health pension, and in cases where the member is also entitled to a higher tier ill-health pension, the payment of a higher tier ill-health pension.

[<sup>F4</sup>(4) Where an active member (A) is entitled to a lower tier ill-health pension and paragraph 22 (transition member who has not reached normal pension age under the NFPS) or paragraph 24 (transition member who has not reached normal pension age under the FPS) of Schedule 2 applies in relation to A—

- (a) if paragraph 22 applies in relation to A, A is also entitled to an amount equivalent to the annual amount of a lower tier ill-health pension that would, if the member were entitled to payment of a lower tier ill-health pension under article 12(2) of the NFPS, be payable to the member under the NFPS;
- (b) if paragraph 24 applies in relation to A, A is also entitled to an amount equivalent to the annual amount of a lower tier ill-health pension that would, if the member were entitled to payment of a lower tier ill-health pension under article 15 (ill-health awards) of the FPS, be payable to the member under the FPS.

(5) In these Regulations—

- (a) the amount equivalent to the annual amount of a lower tier ill-health pension in sub-paragraph (a) of paragraph (4) is referred to as the “equivalent amount to the NFPS lower tier ill-health pension”;
- (b) the amount equivalent to the annual amount of a lower tier ill-health pension in sub-paragraph (b) of paragraph (4) is referred to as the “equivalent amount to the FPS lower tier ill-health pension”.]

### Annual rate of ill-health awards

**74.**—(1) The annual rate of a lower tier ill-health pension and of a higher tier ill-health pension is calculated as follows.

(2) The annual rate of a lower tier ill-health pension is calculated in accordance with paragraphs (2)(a) and (2)(b) of regulation 68 (annual rate of retirement pension (active members)).

(3) The annual rate of a higher tier ill-health pension is calculated by multiplying the annual amount of the adjusted lower tier ill-health pension by the member's assumed period of pensionable service and by 2%.

[<sup>F5</sup>(3A) In the case of a member who is entitled to an equivalent amount to the NFPS lower tier ill-health pension or to an equivalent amount to the FPS lower tier ill-health pension, the adjusted lower tier ill-health pension includes the adjusted equivalent amount.]

(4) In this regulation—

“the adjusted lower tier ill-health pension” means the lower tier ill-health pension payable under paragraph (2) calculated—

- (a) excluding an amount equal to the amount of any added pension which had been included in the calculation of the lower tier ill-health pension, and
- (b) without the deduction for any commuted portion of the pension;

[<sup>F6</sup>“the adjusted equivalent amount” means—

- (a) in the case of a member who is entitled to an equivalent amount to the NFPS lower tier ill-health pension, that amount calculated—
  - (i) excluding from the calculation the amount of any additional period of service purchased under Part 11 of the NFPS, and
  - (ii) without the deduction of any commuted portion;
- (b) in the case of a member who is entitled to the equivalent amount to the FPS lower tier ill-health pension, that amount calculated without the deduction of any commuted portion.]

“the member's assumed period of pensionable service” means the period expressed in years—

- (a) beginning with the day after the member's continuous period of pensionable service ceased, and
- (b) ending with the day before the day on which the member will reach normal pension age.

### **Early payment of retirement pension to deferred member**

**75.** A deferred member who has not reached deferred pension age is entitled to immediate payment of a retirement pension calculated under regulation 69 (annual rate of retirement pension (deferred members)) if the following conditions are satisfied—

- (a) the member has given written notice requesting payment of the pension before deferred pension age to the scheme manager;
- (b) in the opinion of the IQMP the member is incapable of undertaking regular employment because of infirmity of mind or body and this incapacity will continue until deferred pension age; and
- (c) the scheme manager has determined that the member is entitled to the early payment of the pension.

### **Review of ill-health award or early payment of pension of retirement pension**

**76.**—(1) Where a member (P) has been in receipt of an ill-health award under regulation 73 (entitlement to lower tier ill-health pension and higher tier ill-health pension) for less than 10 years, and is under deferred pension age, the scheme manager must consider, at such intervals as it considers appropriate, whether P has become capable—

- (a) of performing any duty appropriate to the role from which P retired on grounds of ill-health, and
- (b) of undertaking regular employment.

(2) The scheme manager must consider, at such intervals as it considers appropriate before the member reaches deferred pension age, in relation to a pensioner member who was a deferred member and whose pension is being paid early by virtue of regulation 75 (early payment of retirement pension to deferred member), whether the member has become capable of undertaking regular employment.

### **Consequences of review**

**77.**—(1) If, on such consideration as is mentioned in regulation 76(1) (review of ill-health award or early payment of retirement pension), the scheme manager determines<sup>M1</sup> that a member (H) who is in receipt of a higher tier ill-health pension has become capable of undertaking regular employment, H's entitlement to that pension must cease with immediate effect.

(2) Subject to paragraph (3), a lower tier ill-health pension must continue to be paid to a member who ceases to be entitled to a higher tier ill-health pension.

(3) If—

- (a) on such consideration as is mentioned in regulation 76(1) (review of ill-health award or early payment of retirement pension), the scheme manager determines that a member (L) who is in receipt of a lower tier ill-health pension has become capable of performing the duties appropriate to the role from which L retired on grounds of ill-health; and
- (b) the Board makes L an offer of employment in that role (“a paragraph (3)(b) offer”),

L's entitlement to a lower tier ill-health pension must cease whether L accepts or declines the offer.

(4) The Board must by written notice when making a paragraph (3)(b) offer specify a date by which, if the member has not accepted the offer, the member will be taken to have declined it.

(5) A lower tier ill-health pension ceases to be payable on the earlier of the following dates—

- (a) the date on which a member re-enters scheme employment pursuant to a paragraph (3) (b) offer; or
- (b) such date after the paragraph (3)(b) offer is made as the employer specifies by notice under paragraph (4).

**Status:** Point in time view as at 01/04/2015.

**Changes to legislation:** There are outstanding changes not yet made by the legislation.gov.uk editorial team to The Firefighters' Pension Scheme Regulations (Northern Ireland) 2015. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

(6) Where a member declines a paragraph (3)(b) offer, a deferred member's account must be established under regulation 57 (account established after ill-health award ceases to be payable) from the date on which that member's ill-health award ceases to be payable in accordance with paragraph (5).

[<sup>F7</sup>(6A) Where L is entitled to an equivalent amount to the NFPS lower tier ill-health pension or to an equivalent amount to the FPS lower tier ill-health pension, paragraphs (3) and (5) apply as if the reference to “lower tier ill-health pension” included an equivalent amount to the NFPS lower tier ill-health pension or an equivalent amount to the FPS lower tier ill-health pension, as the case may be.]

(7) If, on such consideration as is mentioned in regulation 76(2) (review of ill-health award or early payment of retirement pension), the scheme manager has obtained the IQMP's opinion which states that a deferred member (P) whose deferred pension is being paid early has become capable of undertaking regular employment, P's entitlement to early payment of the pension must cease with immediate effect and P's deferred member's account must be adjusted under regulation 56 (adjustment of account after early payment of deferred pension ceases).

## CHAPTER 5

### Payment of retirement benefits

#### Commencement of pensions

**78.—(1)** The first period for which any retirement pension which is payable immediately on a member leaving scheme employment, begins with the day after the date on which the employment ends where the member has made a claim for payment of that pension before that date.

(2) Where an active member has not claimed payment of the retirement pension before the date on which that member retires, the pension will be payable from a date after the claim is made as notified to the member by the scheme manager.

(3) Where the employer of an active member has determined to pay that member a retirement pension before the member reaches normal pension age in exercise of the powers in regulation 70 (employer initiated retirement), the first period for which the pension is payable begins on the day after the member's scheme employment ends.

(4) In the case of an active member who exercises the partial retirement option, the first period for which any retirement pension is payable begins on the date after the date on which the partial retirement option is exercised.

(5) In the case of a deferred member, the first period for which payment of a retirement pension is to be payable begins on the date on which the member attains deferred pension age where a deferred member has claimed payment of a retirement pension unless that member gives written notice to the scheme manager before the member reaches deferred pension age—

- (a) requesting to defer payment by notice given to the scheme manager more than three months before the member reaches deferred pension age and any such deferral must not extend beyond the day before the member's 75th birthday; or
- (b) requesting payment of the full retirement pension before deferred pension age after the deduction of the early payment reduction; or
- (c) requesting the early payment of the retirement pension under regulation 75 (early payment of retirement pension to deferred member) on grounds of incapacity to undertake regular employment.

(6) Where an active member is entitled to a lower tier ill-health pension or a higher tier ill-health pension under regulation 73 (entitlement to lower tier ill-health pension and higher tier ill-health pension) the first period for which a retirement pension is payable is the day after the date on which the member scheme employment is terminated.

(7) Where a deferred member has made a request referred to in paragraph (5)(c) and is entitled to the early payment of a retirement pension, the first period for which the pension is payable begins on the date on which the deferred member became incapable of undertaking regular employment because of infirmity of body or mind, or if that date cannot be ascertained, from the date of the member's request to the scheme manager for early payment.

(8) Where a deferred member has made a request referred to in paragraph (5)(a) or (b), the pension will be payable from a date after the claim for it is made which is notified to the member by the scheme manager.

### **Option to commute part of pension**

**79.**—(1) A member who becomes entitled to the immediate payment of a retirement pension may opt under this regulation to exchange part of the pension for a lump sum.

(2) The option may only be exercised—

- (a) by written notice to the scheme manager which sets out the amount to be commuted; and
- (b) before the first payment of the pension is made.

(3) If a member exercises the option, for every £1 by which the amount of the member's annual rate of pension is reduced, the member must be paid a lump sum of £12.

(4) A member may not exchange more than the lesser of—

- (a) 25% of the pension for a lump sum under this regulation; or
- (b) the proportion of the pension to the extent that it would result in a scheme chargeable payment <sup>M2</sup> for the purposes of Part 4 of the 2004 Act.

(5) This regulation does not apply to a pension derived from pension credit rights if the pension debit member from whose rights the pension is derived has received a lump sum under this regulation before the date on which the pension sharing order takes effect.

(6) This regulation does not apply to a higher tier ill-health pension.

### [<sup>F8</sup>Option to commute part of an equivalent amount

**79A.**—(1) A member who becomes entitled to the immediate payment of an equivalent amount to the NFPS lower tier ill-health pension or to an equivalent amount to the FPS lower tier ill-health pension may opt under this regulation to exchange part of the pension for a lump sum.

(2) The option may only be exercised—

- (a) by written notice to the scheme manager which sets out the amount to be commuted; and
- (b) before the first payment of the equivalent amount to the NFPS lower tier ill-health pension or to an equivalent amount to the FPS lower tier ill-health pension is made.

(3) Where the person is entitled to the immediate payment of an equivalent amount to the NFPS lower tier ill-health pension and exercises the option to commute under this article, the lump sum is calculated—

- (a) in the case of a person who is a connected member of the NFPS in accordance with paragraphs (2) and (4) of article 19 (commutation: general) of Part 3 of the NFPS, and
- (b) in the case of a person who is a connected special member of the NFPS in accordance with paragraphs (2A), (4) and (4A) of article 19 of Part 3 of that Scheme.]

## CHAPTER 6

### Allocation of part of pension

#### Allocation election

**80.**—(1) This regulation applies in relation to a retirement earned pension payable in respect of a member's pensionable service under this scheme.

(2) An active member or deferred member may elect to allocate up to a third of the amount of the annual rate of any of the member's retirement pensions under this scheme to a beneficiary (“allocation election”).

(3) The beneficiary of an allocation election must be a person who, when the allocation election is made is—

- (a) the spouse, civil partner or cohabiting partner of the active member or the deferred member; or
- (b) with the consent of the scheme manager, any other person who is substantially dependent on the active member or deferred member and would have been a dependant of the member for the purposes of paragraph 15(2) or (3) of Schedule 28 to the 2004 Act if the member had died when the election was made.

(4) The scheme manager may withhold consent under paragraph (3)(b) if the scheme manager is not satisfied that the person is substantially dependent on the active member or deferred member.

(5) If a member wishes to allocate pension to more than one beneficiary, a separate election must be made in respect of each beneficiary.

(6) Where more than one portion of a particular pension is allocated, the total of the allocated portions of that pension must not exceed the portion of that pension retained by the active or deferred member.

(7) If paragraph (8) applies, the member may elect to allocate only so much of the pension (after subtracting the commutation amount, if any) that exceeds the guaranteed minimum, multiplied by such factor as is indicated for a person of the member's description in tables provided by the scheme manager having regard to actuarial guidance.

(8) This paragraph applies if the member has a guaranteed minimum under section 10 (earner's guaranteed minimum) of the Pension Schemes Act in relation to the whole or part of a pension as a result of receipt by this scheme of a transfer payment from another pension scheme in respect of which the member had such a guaranteed minimum.

### **Making an allocation election**

**81.**—(1) When an active or deferred member intends to make an allocation election, that member must—

- (a) satisfy the scheme manager that that member is in good health and has a normal life expectancy; and
- (b) give the scheme manager written notice of an allocation election specifying—
  - (i) the portion,
  - (ii) the name and address of the beneficiary,
  - (iii) the sex of the beneficiary, and
  - (iv) the date of birth of the beneficiary.

(2) The notice of allocation, which may be sent by post, must be given not earlier than two months before the pension comes into payment.

(3) Where the requirements in paragraphs (1) and (2) have been satisfied, the scheme manager must notify the member that it has accepted the allocation election.

(4) An election has no effect if the member or the beneficiary dies before the notice of allocation takes effect.

### **Effect of allocation**

**82.**—(1) If an allocation election takes effect, the member's retirement pension is reduced accordingly.

(2) If a notice of allocation takes effect, it does so on the day on which the retirement pension comes into payment.

(3) Where a notice of allocation has taken effect, and the beneficiary survives the pensioner, the scheme manager must, from the date of the pensioner's death, pay the beneficiary a pension for life ("allocated pension") of an amount determined by the scheme manager in accordance with actuarial guidance in force when the notice of allocation takes effect, having regard to—

- (a) the amount of retirement pension allocated under the election; and
- (b) the age of the pensioner and beneficiary at the date when the notice of allocation was given.

(4) Where more than one portion of a member's retirement pension has been allocated, a separate calculation must be made under paragraph (3) in respect of each allocation.

(5) Where—

- (a) a notice of allocation has taken effect; and
- (b) the beneficiary pre-deceases the pensioner,

the scheme manager must pay to the pensioner (distinguishing it from any other pension payable to that pensioner) the portion of pension that had been allocated ("the failed allocation pension").
