

SCHEDULE 1

PRINCIPLES FOR ENVIRONMENTAL RISK ASSESSMENT

PART D

CONCLUSIONS ON THE SPECIFIC AREAS OF RISK OF THE ENVIRONMENTAL RISK ASSESSMENT

CHAPTER D.2

GENETICALLY MODIFIED HIGHER PLANTS

Areas of risk

18.—(1) Persistence and invasiveness of the genetically modified higher plants, including plant to plant gene transfer.

- (2) Plant to micro-organisms gene transfer.
- (3) Interactions of the genetically modified higher plants with target organisms.
- (4) Interactions of the genetically modified higher plants with non-target organisms.
- (5) Impacts of the specific cultivation, management and harvesting techniques.
- (6) Effects on biogeochemical processes.
- (7) Effects on human and animal health.]

Changes to legislation:

There are currently no known outstanding effects for the The Genetically Modified Organisms (Deliberate Release) (Scotland) Regulations 2002, CHAPTER D.2.
