## EXPLANATORY NOTE

*(This Note is not part of the Order)*

This Order deletes article 5 of the National Health Service (Constitution of Health Boards) (Scotland) Order 1974 (“the 1974 Order”) which provided that each health board shall consist of a chairman and such numbers of other members, not more than a maximum number.

As a consequence of the deletion of article 5, the Schedule to the 1974 Order is replaced.
